SEVENTEEN DEAD

TERRIBLE MINE EXPLOSION IN BRITISH COLUMBIA.

OVERTAKEN BY THE FLAMES

ESCAPE CUT OFF AND THEY PERISHED.

MINER'S LAMP THE CAUSE

THE THRILLING ESCAPE OF ONE MINER.

Victoria, B. C., Oct. 1.—Seventeen men are dead as a result of a fire and explosion in Extension mine No. 2, belonging to the Wellington Colliery company. The flames started from a curtain which caught fire from a miner's lamp.

THE DEAD.

A dispatch from Extension, B. C., gives the following list of dead in the Dunsmuir mine disaster:

George Southcomb, timberman; Eugene Griffin, timberman; —— Welsh, manager of the Ladysmith base ball club; John Patterson, James Watson, Michael Dolan, William Pollock, E. Lynd, John McCallum, K. Blackley, E. Hazel, Frank Mottisha, Charles Noye, Archibald Reeves, —— Boyd, —— Hamilton, Antonio Pescettelli.

James Thomas, a rope rider, had a thrilling escape. He was riding down the slope, and, seeing the fire coming, he jumped off the car and ran. George Southcomb and Eugene Griffin, timbermen, called to him to follow them, but he ran on up the slope for 1,000 feet to its mouth and barely escaped with his life.

The other men were overtaken by the flames and perished. The fire is still raging, but it is thought it can be extinguished without flooding the mine.

ENGINEER MACHARG HERE.

W. S. MacHarg, the sewer expert, arrived from Chicago last night on invitation of Mayor Berghoff, and this morning made another examination of the South Wayne sewer. He was accompanied on his exploration tour by Chairman Eggemann, City Engineer Randall and Mayor Berghoff; Contractor Peters, of course, being also in the party. The occasion of Engineer MacHarg's professional visit is to give an opinion on the points of construction of the sewer which is at present a serious problem with the board of works. Mr. MacHarg was seen by The Sentinel shortly after noon and he said that he was at that time in no position to say anything for publication, nor even give a confidential opinion. He has seen only a portion of the work and has had no opportunity of examining the bottom of the sewer upon which the brickwork rests. By tomorrow noon a portion of one section will be ready for the bricklayers and he will be present to see the work done and judge of the conditions as they then exist.

BIG HOTEL BURNED.

Houghton, Mich., Oct. 1.—The Douglas house early today was damaged by fire to the extent of $100,000. The flames, which broke out in the kitchen, enveloped almost the entire structure before the guests could be aroused. All got out safely, but there were several narrow escapes. The front part, in which the Postal telegraph, Chicago, Milwaukee and St. Paul and the Chicago and Northwestern offices and Haugh's jewerly store were located, was saved. The property was heavily insured.

STRIKE ON CROTON DAM.

New York, Oct. 1.—All the stone cutters and masons employed on the work at the Croton dam in Westchester county went out on strike today. The strikers include the stone cutters at the Peekskill quary. No cause has been assigned here, the constractors say, for the action of the men. Between 200 and 300 men are out. The Croton dam was the scene of the great strike last year when the National Guard had to be called out and one soldier was shot and killed by the strikers.

JOINED THE STRIKERS.

The ranks of the striking electricians were augmented yesterday when all the union men in the employ of the Edmunds Construction company went out. Mr. Edmunds states that the strike of his union workmen will not affect his business materially, as he still has a force of skilled men who are not members of the union. The employers state emphatically that they will not sign the agreement submitted by the union, and on the other hand the union men say they will not return until the agreement is signed.

THE MORGAN SPECIAL.

San Francisco, Oct. 1.—The special train bearing J. Pierpont Morgan and his guests, who are delegates to the Episcopal conference which opens in this city on Wednesday, arrived here today after a pleasant trip across the continent. On arriving on this side of the bay Mr. Morgan was driven to the Crocker mansion, which has been placed at his disposal during the term of the conference.

IS HELD FOR BURGLARY

A BOOK AGENT TRIES GAME ON A FRIEND.

Went Fishing With Boyd Snyder and Then Attempted to Rob His Saloon—Bound Over.

V. J. Zalkaski was arraigned in police court this morning charged with burglary, having attempted the robbery of Boyd Snyder's saloon, on Lafayette street. He entered a modified plea of guilty and was bound over to the circuit court in the sum of $1,000. He could not furnish bond and went to jail.

Zalkaski has been in the city for several weeks, working as a book agent. He formed the acquaintance of Snyder and Monday the two men went fishing. Snyder accommodatingly closed his saloon so that he might give his friend the benefit of his company on the piscatorial expedition. They carried with them the usual appurtenances necessary for a well-regulated party of fishermen and carried some extra bait in long, dark bottles. At the trial this morning not much was said about the fish caught, but it was shown that the bottled bait suffered total annihilation. The fishermen returned home Monday night and both admitted that the bait had got in its work and both were pretty well "tanked." They took a few parting drinks in Snyder's saloon and then separated, as they thought, for the night. Not so, however. About 2 o'clock this morning Mr. Snyder, whose wife is away on a visit, and who was sleeping over his saloon, was awakened by a noise on the roof of a small shed in the rear of his property. He dressed quickly and going into his back yard saw a man evidently making his way into the saloon through the transom over the rear door. He climbed to the roof of the shed by the same means that his visitor had used and slipping up quietly, seized the man, then partly through the door, by the legs. There was a struggle, but finally Snyder won, and the two dropped to the ground below, where Snyder continued operations by unmercifully beating the would-be burglar. Officer Heller, who fortunately happened to be close by, attracted by the noise, came on the scene and the burglar was arrested. When brought to the light Snyder was horrified beyond measure to find that the marauder was no other than his fishing companion of the day before. Snyder had $82 in the till in his saloon and this his friend knew. Zalkaski thought that the booze the two had drank would make Snyder dead to the world for a couple of hours, and while they were in the saloon together he figured out his plans. He said he had no intention of taking all of the money, but needed $7 to send to his wife in Pennsylvania. Snyder was rather loathe to prosecute the man, whom he said he considered a friend, but he offered no objection to the law taking its course. Judge Louttit accordingly bound him over as above stated.

OTHER POLICE CASES.

Thomas Maguire, who claims to be a sailor and a resident of New Jersey, slated for drunkenness, read impressively from his log book and was given time to start for New Jersey.

Henry Knoeder, also booked for drunkenness, said he had a family and would be good if permitted to go. One dollar and costs was suspended so long as he behaves as well as he promised to.

George and John Renschler, aged ten and eleven, respectively, were present with their father and answered to implication with Percy Bigelow in the theft of some zinc from the Nickel Plate railroad. They were fined $30 each and after giving them a severe lecture Judge Louttit suspended sentence, the boys promising exemplary behavior.

ACCOUNTS DIFFER

ADMIRAL EVANS TESTIFIES AS TO REPORTS.

TELLS MORE OF THE BATTLE

ENTERS DENIAL TO SOME OF COMMON REPORTS.

CAPTAIN SIGSBEE IS HEARD

COMMANDER OF ILL-FATED MAINE ON STAND.

Washington, Oct. 1.—Additional interest was elicited in the Schley inquiry today by the appearance as a witness of Capt. Charles D. Sigsbee, who commanded the ill-fated battleship Maine at the time she was blown up in Havana harbor and who commanded the converted cruiser St. Paul of the scout fleet during the West India campaign.

He was summoned with a view of throwing light upon some of the dispatches sent from that vessel.

Admiral Robley D. Evans was on the stand a considerable time and subjected to severe cross-examination.

SYMPATHY FOR LEMLEY.

General sympathy was expressed on the part of the court and those in attendance with Judge Advocate Lemley because of the death of his sister, which occurred yesterday.

Captain Lemley was present when the court convened, but immediately withdrew. Captain Miller, who commanded the collier Merrimac before she was sunk by Lieutenant Hobson, was called for the purpose of correcting the official record of his testimony given yesterday.

Admiral Evans was then recalled. Mr. Raynor began his interrogations by asking the witness concerning the secret code of signals for communicating with the Cuban insurgents near Cienfuegos. The admiral said that when Captain Chadwick communicated this code to him he did not instruct him to give the information to Commodore Schley. Mr. Raynor then questioned the witness especially as to his interviews with Commodore Schley after the battle of Santiago.

Admiral Evans was then excused and Mr. Thomas M. Dieuaide, newspaper correspondent, who was on board the Texas during the Santiago campaign, was called.

The witness detailed the experience on the Texas during the battle, his testimony covering the alleged danger of the Texas from the Brooklyn during the execution of the famous loop. He had his notes taken during the battle with him and when excused until tomorrow was asked to bring the newspaper account he had written of the engagement.

In the course of his testimony Admiral Evans denied that he had said after the battle of Santiago that Captain Philip, of the Texas, had tried to run away, it being alleged the words were spoken to Admiral Schley.

It was further brought out that there is a radical difference in point of time between Admiral Evans' report of the Santiago fight and the report of Admiral Schley. Admiral Evans said there were no plans for a battle given the officers of the fleet when it left Cienfuegos, though official reports alluded to in the evidence showed that Admiral Schley had directed what was to be done at Santiago in case the Spanish fleet came out. Admiral Evans, however, did not consider that this was a plan of battle.

CAPTAIN SIGSBEE CALLED.

Capt. Chas. D. Sigsbee, who commanded the scout ship, St. Paul, during the Spanish war, was next called. He said that in obedience to orders from Captain Wise, who was his commanding officer, he had proceeded to the vicinity of Santiago, arriving there on the 25th. He told of taking aboard the Cuban pilot, Nunez, and said he did not have great confidence in the individual. His instructions were to report to Commodore Schley that the Spanish squadron probably was in Santiago harbor. He fell in with the flying squadron on the evening of May 26th, the squadron then being 20 or 25 miles south of Santiago. He had reported to Commodore Schley that he 'knew nothing positively' about the Spanish fleet. He was then asked if he had expressed his belief to Commodore Schley that Cervera's fleet was not in the harbor as reported later by Commodore Schley.

A controversy arose over the admissibility of the question, and the court took a recess for luncheon before receiving the reply of the witness.

When the Schley court reconvened after luncheon Captain Sigsbee resumed his testimony.

Mr. Hanna repeated his question, asked before recess, quoting from Admiral Schley's report of February 18, 1899, the sentence reading: "After having been assured by Sigsbee that he did not believe the Spanish fleet was in Santiago."

SIGSBEE PROTSTS.

The witness replied: "I stated that we had seen nothing of the Spanish fleet. I may have stated that I knew nothing positively or absolutely about its movements, but I recited certain events to show that there was a probability of the fleet being in Santiago at that time. In regard to the other matter I beg to make an appeal to the court. This case is one involving reputations. It has been stated by Commodore Schley in an official letter to the United States senate that I expressed a certain belief. Now it has been made a public matter. I think that either the court or the defense should allow me to express under oath what I really said. Whether I expressed that belief or not it may be technically right to interfere with me, but according to the ethics of the naval service I think the defense ought to permit me to answer that question."

"We have no objection to that," said Mr. Raynor.

"I have given an answer to that question. I have said nothing about my belief."

Mr. Hanna: "The portion of the question to which I should like to have you give an explicit answer is, whether you assured Commodore Schley that you believed the Spanish fleet was not in Santiago?"

"I did not say that 'I believed it was not there.' I said I had not seen it."

"Did you give him any assurance which would point in that direction?"

"I made known first my orders from the navy department, which stated that the Spanish fleet was reported to have arrived there."

Mr. Hanna then read a letter which Captain Sigsbee had on May 26th written to Commodore Schley reporting the taking of the pilot Nunez aboard from the Jason and the capture of the British steamer Restormal as a prize. He said in that letter: "No news here. I have seen absolutely nothing of the Spanish fleet."

EMMA GOLDMAN WILL SPEAK

WILL REPEAT WORDS THAT FIRED CZOLGOSZ.

Anarchist Priestess Wants Public to Judge Her Cleveland Tirade—Appears in Chicago.

Chicago, Oct. 1.—The speech which Leon Czolgosz claims inspired him to assassinate the president will be repeated by Emma Goldman here Thursday night. Czolgosz heard this lecture in Cleveland and Miss Goldman said today she wished to give the public a chance to see if there was anything incendiary in it. So deep has been the feeling against the anarchists that not until yesterday were the "reds" able to secure a hall at any price. Chief of Police O'Neill said he would have detectives in the hall to preserve order and keep the speaker's utterances within proper bounds.

LINEMEN ON STRIKE.

Chicago, Oct. 1.—Three hundred and fifty linemen and repairmen, employed by the Chicago Telephone company, went on strike today for higher wages. At present the wage scale is $2.75 a day for linemen and $3.00 for foremen. The striking employes demand an increase respectively to $3.25 and $3.75 a day. Officials of the company claim the strike will not affect the operation of their lines.

Sunday morning the bishop will read mass at 7:30 and at 10 o'clock will administer confirmation to a large class."

THE RACE IS OFF

ANOTHER FLUKE IN THE CUP MATCH.

PROMISING WIND GIVES OUT

SHAMROCK HALF MILE AHEAD WHEN CONTEST ENDS.

SMALL DISTANCE COVERED

BIG CROWD DISAPPOINTED AT OUTCOME.

New York, Oct. 1.—With the Shamrock half a mile ahead of her rival on the second leg of the triangular yacht race today the contest was declared off.

What had been a fourteen knot breeze early in the day became a succession of flukish gusts between which the yachts at times lay almost becalmed. It was seen to be impossible to finish the race in the time limit and the race was declared off.

THE COURSE.

After a conference on board the committee boat signals were set for a course as follows:

The first leg, due east, a beat; the second, south southwest, one-half west, a broad reach on the port tack, and the third north northwest, one-half west, a close fetch to the finish on the starboard tack.

Meanwhile the wind had fallen so light that the two big yachts stood up like churches, the breeze not being strong enough to give them any heel.

By the time the preparatory gun was fired the yachts scarcely had steerage way, while the flags on the committee boat barely being lifted out from the mast. In order to facilitate her manouvering the Shamrock broke out her baby jib top sail, as also did the Columbia. The yachts spent more than seven minutes after the preparatory signal was fired in following each other in circles about the committee boat. Soon after the warning signal was fired the Columbia stood off and then headed back for the Shamrock, which at that time was standing on the starboard tack and heading for the line. There was the usual jockeying for the windward berth.

HARD LUCK FOR BRITISHER.

Hard luck was with the British challenger, for she stood in too near the line and went over before the starting gun was fired. Columbia, on the other hand, was in beautiful position and poked her bow across the line a few seconds after the gun was fired. The Shamrock had to wear to recross the line, this mistake badly handicapping her at the outset. The wind was not more than four knots, and both yachts headed for the Long Island shore on the starboard tack. The Columbia was far to the windward, but the yachts were apparently on equal terms as far as footing was concerned.

WIND VERY LIGHT.

At this time the wind was discouragingly light and it seemed an impossibility that the yachts would finish within the time limit.

The yachts held this tack for about six minutes, when the Shamrock taking the lead in tacking, again went on the port tack. Barr waited nearly two minutes before following suit and the wind was so light that both yachts were more than thirty seconds swinging in stays.

For nearly an hour the Columbia and the Shamrock held the port tack, the wind being so light at times that they alternately fell off with the sea and then luffed up. Shortly after 12 o'clock they were for a little time practically becalmed, but through it all the Columbia maintained the lead which she had secured at the start. About half past 12 there were signs down the Jersey coast that the wind was increasing, and both skippers evidently catching scent of this fact, at 12:41 went about on the starboard tack.

A PROMISE OF WIND.

What wind there was had hauled around a little to the south of east, and it looked as if there would be no more windward work in the race if it held from that quarter. With the wind from that direction the two remaining legs would be reaches. Far out to sea there was at this time a dark streak, showing that there at least was some wind. In shore toward the mouth of the harbor a fine eight-knot breeze was blowing, sending the small sail boats about at a lively rate. But up off the Long Island shore where the big racers were there was no wind and they made but slow progress toward the first mark.

It was slow work for the next twenty minutes, but then the fickle wind, which had been blowing everywhere but on the yachts, caught them at last. The Shamrock got it first and with her canvas filling out darted ahead and rapidly cut down the distance between her and the Columbia.

SHAMROCK TAKES LEAD.

Captan Sycamore took every possible advantage of the favorable slant and before it had reached the Columbia he was almost on even terms. Fortune was with the British skipper, and holding light to the air current which he had caught, he slowly worked into the windward berth and then took the lead.

It was not much of an advantage, but for the first time since they crossed the line the Britisher was ahead. It was just 1:15 when, beyond question of doubt, it was seen that the boats had changed the positions that they had held since the start. The fluky, shifting wind seemed always to favor the Shamrock. Try as he would the American skipper could not catch as favorable air current and at 1:52 the Shamrock had a good four lengths of open water between her stern and the Columbia's bow.

NEAR FIRST MARK.

In the meantime the Shamrock had taken in her baby jib top sail and the boats were rapidly nearing the first mark.

The Columbia set her jib top sail and a few moments later the Shamrock followed suit. Both boats were now getting a good slant of wind and it seemed as if the Britisher was making the most of it, her sails drawing well, and apparently momentarily widening the gap between herself and her rival.

The race had become a pretty struggle for the first mark despite the lightness of the wind.

With alternate advantage from the flukish winds, first one boat led and then another. As the first mark was neared the Shamrock caught a good breez and drew away from her opponent, rounding the mark at 2:41:36. Columbia was more than three minutes behind, turning the mark at 2:44:44.

After turning the mark both boats went on the port tack, heading with the present direction of the wind, a close reach to the second mark.

The wind was fitful and at times seemed almost to have abated.

ABOUT THE COURT HOUSE

Charles E. Toler sues for divorce from Minnie Toler. The complaint alleges that the parties were married on the 3d day of September, less than a month ago, and that they lived together only until the 28th. Minnie started out to act badly from the very first and swore at her husband, sat on other men's laps in public and finally became guilty of adultery, Fred Brown being named as the corespondent.

The local board of charities yesterday visited the county poor farm. The board complimented Superintendent Turflinger in the highest terms of praise and said that the general condition of the buildings in every way were never better than they found them on this last visit.

The superior court was not in session today, but will resume business at the old stand on Thursday morning.

LOCAL LINES.

THE LAW UPHELD

WEEKLY WAGE LAW DECLARED CONSTITUTIONAL.

A VICTORY FOR THE STATE

DECISION OF IMPORTANCE IS RENDERED.

RULING MADE AT MUNCIE

TEST CASE ESTABLISHES THE LAW.

(Special to The Sentinel.)

Muncie, Ind., Oct. 1.—In the circuit court here today the state weekly wage law was held to be constitutional.

The decision was rendered in a case wherein some of the big manufactories were interested, and it is of importance over the entire state, especially in this city, Indianapolis, Fort Wayne, Elwood, Anderson and other large manufacturing centers.

The law has been extensively ignored and the state officers charged with its enforcement have been awaiting a decision.

The decision today declares the law constitutional in every particular.

PLANS NEAR COMPLETION.

Architect Grindle stated this afternoon that the plans and specifications for the new Fort Wayne public library would be ready to turn over to the board of school trustees on Wednesday evening.

WAYNE CLUB CLOSED.

The Wayne club has been closed pending a possible reorganization, and just at present the future of the club is somewhat uncertain. It is understood that a number of societies are desirous of securing the building.

LOCAL NEWS.

S. R. Beecher and family, of Van Wert, Ohio, are in the city on a visit.

Miss Phenie Michael left this morning for Chicago to resume her studies at the Art institute.

Mr. and Mrs. J. R. Bishop, of Bluffton, were in the city yesterday to visit Mr. Bishop's sister, who is a patient at Hope hospital.

Mrs. W. M. Schreg and Mr. and Mrs. A. L. Brown and daughter, of Huntington, are the guests today of Mrs. A. Gross and family, of 29 Charles street.

FIRM FOUNDATION.

NOTHING CAN UNDERMINE IT IN FORT WAYNE.

People are sometimes slow to recognize true merit and they cannot be blamed, for so many in the past have been humbugged. The experience of hundreds of Fort Wayne residents expressed publicly through the newspapers and other sources places Doan's Kidney Pills on a firm foundation.

Mr. S. E. Beck, of 104 Ewing street, says: "Ever after I had my foot cut off six years ago, I had symptoms of kidney trouble. I don't know whether it was the shock of the accident or the effects of the operation, but which ever it was I had kidney complaint, and try what I would, I could not get relief until I procured Doan's Kidney Pills at Meyer Bros. & Co.'s drug store and began taking them. My back ached very bad at times and I could hardly stoop. The first few doses of Doan's Kidney Pills did me a great deal of good, and in a short time the symptoms disappeared."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the U. S.

OLD SETTLERS' ASSOCIATION

THE EXECUTIVE COMMITTEE IS NAMED THIS MORNING.

Final Appointments in the Official Staff of the Pioneers Made by President Vordermark.

The organization of the Allen County Old Settlers' association was completed this morning when President John W. Vordermark made the appointment of the executive committee to serve for the ensuing year. The committee is as follows:

George W. Jones.
William Boone.
Charles McCulloch.
J. P. Tinkham.
John Dalman.

All are residents of Fort Wayne and have been promienent in the history of Allen county for many years. This committee, together with the other officers elected, will have full charge of the matters of the association, and among their duties will be the selection of a date for the next reunion. Some day other than Saturday will be selected for future meetings.

The pioneers are deeply grateful to all who took an interest and contributed to the success of the recent meeting, and particularly to Trustee Schirmeyer and his staff of assistants, who conducted the work of registration for several days.

CONCENTRATED FOODS.

What We Eat of Great Importance.

Medicine has been defined as a concentrated food; but it has been the practice of the past to so concentrate the strength and power of medicines to make them act quickly, that they have become harsh and injurious, often leaving a permanent and lasting injury to the patient. Croton Oil is a harsh and powerful cathartic; but the juice of the apple will produce the same results if taken in large quantities. It has been the aim of the Battle Creek Health Tablet Co., Ltd., to avoid both extremes in the manufacture of Peptorene, the Health Tablet. A concentrated food or a mild and healthful medicine. Composed of the purest remedies in the realm of Nature. Especially adapted to the cure of dyspepsia and constipation, and has no equal as a remedy for the Grip and a Cold. Can be taken by the young or old, the weak or strong. If there is anything the matter with you, try Peptorene, the Health Tablet.

Sold by all druggists at 25c per box or sent by mail prepaid on receipt of price by the manufacturers. The Battle Creek Health Tablet Co., Ltd., Battle Creek, Mich.

Sold by Pellens & Polster, A. C. Gocke, William L. Waltemath and Meyer Bros. & Co.

SIEVERT-PHILLIPS.

Miss Edith Phillips and J. Louis Sievert were united in marriage this morning at the Episcopal residence, Rev. Father Roche officiating. The ceremony took place at an early hour, the guests being Mr. and Mrs. W. P. Breen and the bride's mother, Mrs. Lucy A. Phillips. Mr. and Mrs. Sievert left this morning on a wedding trip which will include Detroit, Cleveland and Buffalo, and on their return will be at home at 219 West Wayne street. The bride is a most charming and accomplished young lady and the groom is very well known in the city, where he has been in the jewelry business for several years.

CURES RHEUMATISM AND CATARRH AFTER ALL ELSE FAILS—COSTS NOTHING TO TRY.

To cure the most desperate rheumatism or catarrh take Botanic Blood Balm (B. B. B.) the wonder of the age. Cures when all else fails. It kills the poison in the blood and gives a pure, healthy blood supply, stopping all gnawing, shooting aches and pains in the bones, joints, back, and reduces all swellings. Hawking, spitting, dropping in the throat, offensive breath and catarrh, irritations of the mucous membranes quickly disappear, thus making a perfect, permanent cure of the worst rheumatism or deep-seated catarrh. B. B. B. especially advised for old, obstinate cases. Druggists, $1. Trial treatment free and prepaid by writing Dr. Gilliam, 213 Mitchell St., Atlanta, Ga. Describe trouble and free medical advice given. Sold by Ranke & Nusbaum, 88 Calhoun St.

A FAMILY REUNION.

A reunion of the Stoops family was held a few days ago in the City park at Wabash and Mrs. H. H. Hart, of this city, and Rev. and Mrs. D. S. Oakes, of Kendallville, were among the relatives present. Rev. Little, of Wabash, delivered the address of welcome, and after prayer by Rev. Oakes an elaborate dinner was spread for one hundred and twenty guests. Rev. Stoops followed in an address, and Frank Stoops gave a paper on the family history. It was decided to hold another reunion next year at the same point and officers were elected to make arrangements for the event.

ABOUT THE CITY HALL.

The special committee on assessments for the intercepting sewer held another protracted session last night, to which City Attorney Shambaugh and City Clerk Schmidt were summoned. The committee is going into every detail and will have a very voluminous report to make when it gets through.

A new case of scarlet fever has been reported at 365 Hanna street.

At the meeting of the board of works yesterday afternoon no business of importance was presented. Clerk Schmidt was instructed to notify the Fort Wayne Traction company to repair the pavement between its tracks on Lewis street, and he was also instructed to notify the Lake Shore road to remove its watchman's shanty at the Fourth street crossing. At the request of Contractor Peter he was given a letter to the American Surety company to the effect that he had complied with all the conditions of the contract for which the company had bonded him. The board of safety, and not the board of works, last week instructed the clerk to notify the different railway companies that the speed ordinance governing the speed of railway trains inside the city limits must be respected or prosecutions would follow.

The council committee on contracts and franchises will meet tonight to take up the Harrison street proposition for a right of way for the Southwestern Traction company on that thoroughfare.

The People's Store

You are cordially invited to attend the

Grand Fall Opening

OF OUR **Millinery Department**

Tuesday, Oct., 1st, DAY AND EVENING.

Store Open in the Evening, But No Goods Sold.

Incidentally with our Fall Millinery opening, we beg leave to announce the GENERAL OPENING for fall and winter of every department in this big store. The store will be open in the evening to enable you to come in and look around to your heart's content, and every effort will be put forth to make your visit a pleasant one. Every department is perfect in its completeness. In fact, the assortment of seasonable merchandise will be found not only large, but immense, and will far surpass anything to be seen in the state. We would call your special attention to the magnificent displays in the following departments:

Box Coat of fine Kersey, in Black, Tan, Oxford, Red or Blue; exactly like cut; satin lined, ladies' or misses' sizes, only $10.

Cloaks, Suits, Skirts.

The new fall and winter fashions on display here are the best to be seen anywhere. We are particularly anxious to have you visit our big Cloak and Suit Department on the second floor and inspect the new styles. Our present stock is the largest and best we have ever shown; all the late fashions are fully represented, and the prices, as always, are invariably the lowest.

New 27-in. Box Coats, half fitting backs, box fronts. These Coats are made of extra quality Kersey cloth, well tailored and lined with satin. All colors, as Tan, Oxford, Black, Red, Blue, from $5 to $20.

New Automobile Coats, half fitting backs, storm or coat collars, elegantly tailored and lined with guaranteed satin, from $15 to $30.

New Winter Capes in all lengths, of Kersey cloth, Boucle, Persian, plain or crushed Plush. Prices from $1.50 to $30.

New Fur Capes and Jackets of the latest cut, at prices exceedingly moderate for such high-grade value—$15 to $50.

In Dress Skirts we have everything of the newest styles, either in silk or cloth. A showing that is simply immense, and whether the price be large or small, our values will be found conspicuously big. Skirts from $1.50 to $25 each.

We are showing the very best line of Black Tailor-made Suits in Fort Wayne, from $10 up.

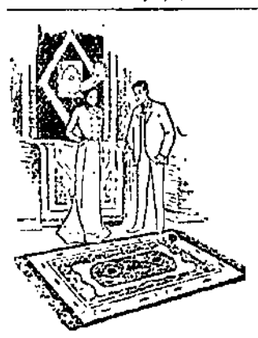
This handsome picture, in colors, of Queen Louise given free with each pair purchased.

SHOE DEPARTMENT.

The Shoe Success. *Queen Quality* THE FAMOUS SHOE FOR WOMEN

Fall Styles Now In.

This is the beginning of our second season in selling "Queen Quality" Shoes, and from the very start the department jumped into popular favor. We have the assurance of hundreds of women that in giving this famous one-price shoe a place in our store we have done them a great service. Of course, we mean those that heretofore have paid $4, $5 and $6 for shoes. They now know that "Queen Quality" is the equal of any of these shoes. We invite all ladies to this opening of fall styles of "Queen Quality." We want you to see and know the shoe that is indeed QUEEN OF ALL. ALL AT ONE PRICE—SHOES, $3, OXFORDS $2.50.



Rugs, Linoleums, Oilcloths.

The success of this new department is fully established and will undoubtedly be increased during the coming season as a result of our unusual price concessions. Our assortment of new Rugs, in all sizes, is very complete, and we are now prepared to show the handsomest collection ever exhibited in Fort Wayne. We ask an inspection by immediate and prospective buyers. LARGE RUGS ARE THE COMING THING.

Wilton Rugs, 9x12, $32.50 — **Smyrna Rugs,** 9x12, $19, $25. — **Axminster Rugs** 9x12, $25.

Ingrain Rugs, 9x 12, $12.90.

LINOLEUMS AND OILCLOTHS—Of the very newest designs and most durable quality, at prices not to be duplicated anywhere.

Curtains and Draperies.

We could write a page about this magnificent department, and every word the truth. But newspaper space is precious. The most we can do now is to invite you to take a look through this department, and when your needs develop and your inclination to supply them grows—come to us. Everything here in Nottingham, Irish Point, Brussels Net, Tambour, Renaissance, Lace Curtains, Tapestry and Rope Portiers, Upholstery material, Curtain materials by the yard, Door Panels, etc., etc., and this is the place at which to buy them if you want to save money.

China and Glassware.

The business in this department grows and grows. Selling the best wares at lowest prices and always displaying big assortments has made this a very popular place to buy China and Glassware. We are displaying now a handsome collection of Imported Decorated Ware, also plain white Haviland and domestic Ware, Tumblers, Water Sets, Punch Bowl Sets, Salt and Peppers, Cream and Sugar Sets, Toilet Sets, Jardinieres, etc., at prices far below those at exclusive stores. Your inspection of this department opening night is solicited.

Dress Goods, Silks.

THE DRESS GOODS OPENING—No other heading would or could express our meaning half as plainly. It is an opening in every sense of the word, and such an opening as this department never before had. With the product of two continents to pick from, we have selected for your approval what we believe to be the grandest collection of gown fabrics ever shown in this locality. Prices—we have ALL prices, and every desirable weave manufactured. An inspection of this department would be appreciated by us and doubtless prove profitable to you.

Store Open Tuesday Evening, But No Goods Sold.

IT is significant that in homes of wealth where the very best is demanded, Ivory Soap is used in the nursery. At the same time, in hundreds of families where economy decides the choice, Ivory Soap is selected. Thus its purity attracts the rich; its economy attracts the poor. High quality and low cost: is there any better combination?

COFFEE FOR MOTHERS.

The Kind That Nourishes and Supplies Food for Mother and Child.

"My husband has been unable to drink coffee for several years, so we were very glad to give Postum Food Coffee a trial, and when we understood that by long boiling it would bring out the delicious flavor, we have been highly pleased with it.

It is one of the finest things for nursing mothers that I have ever seen. It keeps up the mother's strength and increases the supply of nourishment for the child if partaken of freely. I drank it between meals instead of water and found it most beneficial.

Our five-year-old boy has been very delicate since birth and has developed slowly. He was white and bloodless. I began to give him Postum freely and you would be surprised at the change. When any person remarks about the great improvement we never fail to tell them that we attribute his gain in strength and general health, to the free use of Postum Food Coffee, and this has led many friends to use it for themselves and children.

I have always cautioned friends to whom I have spoken about Postum, to follow directions in making it, for unless it is boiled fifteen or twenty minutes, it is quite tasteless. On the other hand, when properly made, it is very delicious. I want to thank you for the benefits we have derived from the use of your Postum Coffee." Mrs. W. W. Earnest, 727 9th Ave., Helena, Mont.

The Secret

Of womanly health would be esteemed as priceless by thousands of suffering women. Each month sees them moaning in a darkened room. At the best they endure pain every day. At the worst the pain becomes torment.

The secret of womanly health is in keeping the womanly organism in a perfectly healthy state. This can be done by the use of Dr. Pierce's Favorite Prescription. It regulates the periods, dries debilitating drains, heals inflammation and ulceration, and cures female weaknesses. It makes weak women strong and sick women well.

Women suffering from chronic forms of disease are invited to consult Dr. Pierce, by letter, *free*. All correspondence is held as sacredly confidential and womanly confidences are guarded by strict professional privacy. Address Dr. R. V. Pierce, Buffalo, N. Y.

Accept no substitute for Dr. Pierce's Favorite Prescription. There is nothing else "just as good" for womanly ailments.

"I suffered for more than ten years with female weakness of very bad form," writes Mrs. D. Maywood, of Tredevar, Macdonald Co., Manitoba. "I used Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery' with good results. I am able to do all my own work now. I do not know how to thank you enough for the kind advice you have sent me in letter. Your remedies did for me more than all other doctor's medicines, and I have taken lots of them."

MICHAEL HELLWARTH DEAD

WAS A PROMINENT FARMER AT NEW HAVEN.

Recently a Nominee for County Commissioner—Other Mortuary Matters of the Day.

After an illness of about four weeks Michael Hellwarth, a well-known farmer, died at 8:44 o'clock this morning at his home just east of New Haven. Mr. Hellwarth's age was sixty-one years, six months and twenty-six days, and death was due to typhoid fever.

Mr. Hellwarth was born in Mercer county, Ohio, March 5, 1840, and removed to Allen county in 1862. He was united in marriage February 11, 1866, to Mary Forthmiller, and to this union five children were born. Three of them—John Hellwarth, Ed Hellwarth and Mrs. Snyder, of Columbus, Ohio, survive. The mother died in 1876, and on November 20, 1877, Mr. Hellwarth was married to Lucinda Mosiman, who survives him.

Mr. Hellwarth was an excellent citizen and had many friends. Politically he was a republican, and during the last campaign was a republican nominee for county commissioner. He was a member of the M. E. church and of the Independent Order of Odd Fellows.

Funeral services will be held Thursday at 1:30 from the residence and at 2 o'clock from the M. E. church at New Haven, under the auspices of the Odd Fellows.

LITCHFIELD.

Mrs. Nancy Long Litchfield died at 11:30 o'clock this morning at the home of her daughter, Mrs. James B. Shoaff, on West Main street. For more than a year Mrs. Litchfield has been in feeble health and four weeks ago she was compelled to take to her bed. Death was due to a complication of diseases.

Mrs. Litchfield was seventy-seven years of age. She was born in Wooster, Ohio, March 24, 1824, came to Allen county in 1863, and was for many years a resident of Eel River township, coming to Fort Wayne about one year ago to make her home with her daughter.

Her husband, Rev. David B. Litchfield, died nearly thirty years ago. He was a prominent Baptist minister and had represented this county in the state legislature. There are but two children—Mrs. James B. Shoaff and Edwin G. Litchfield. Mrs. Litchfield had been a member of the M. E. church since the age of thirteen, and hers was a lovable Christian character. She was widely known and as widely esteemed.

Brief funeral services will be held from the Shoaff residence Wednesday afternoon at 4 o'clock, and the remains will then be taken to her former home in Eel River township, eight miles northwest of the city on the Goshen road. Here the funeral services proper will be held Thursday morning at 10 o'clock.

FUNERAL ANNOUNCEMENTS.

No Time to Lose

You cannot afford to disregard the warnings of a weak and diseased heart and put off taking the prescription of the world's greatest authority on heart and nervous disorders—

Dr. Miles' Heart Cure.

If your heart palpitates, flutters, or you are short of breath, have smothering spells, pain in left side, shoulder or arm, you have heart trouble and are liable to drop dead any moment.

Mayo J. W. Woodcock, one of the best-known oil operators in the country—dropped dead from heart disease recently at his home in Portland, Ind., while napping his hands.—The Press.

Mrs. M. A. Birdsall, Watkins, N. Y., whose portrait heads this advertisement, says: "I write this through gratitude for benefits I received from Dr. Miles' Heart Cure. I had palpitation of the heart, severe pains under the left shoulder, and my general health was miserable. A few bottles of Dr. Miles' Heart Cure cured me entirely.

THE MARKETS.

Chicago, Oct. 1.—Dullness was the only feature at the opening of the board of trade today. December corn started with an easier feeling on lower cables and increased receipts, unchanged to ½c lower at 69¾ to 70c. A small bull influence developed toward the close of the first hour, however, and December advanced to 69¾c. Receipts were 425 cars.

Wheat was offered on a somewhat liberal scale at the opening and the demand was local and small. December opened ½ to ¾c lower at 70¾c to 70@70⅛c on lower cables and heavy northwestern receipts and soon sold off to 69¾@70c. Around 70c there was a fair demand by commission houses and December reacted to yesterday's closing figures. Local receipts were 196 cars, 6 of contract grade. Minneapolis and Duluth reported 1,337 cars, making a total for the three points of 1,533 cars against 1,515 last week and 881 a year ago.

Oats had almost no trade, though there was a slight advance in sympathy with corn. December opened a shade lower at 35¾c and sold to 35⅛c. Receipts were 209 cars.

Provisions were easier all around. Liquidations started early on a slow outside demand and in sympathy with a lower hog market January pork opened 2½ to 22½c lower at $15.77½ to $15.97½. January lard 5@7½c to 2½@5c down to $9.25 to $9.27½ and sold to $9.32½ and January ribs 2½ to 7½c down to $8.15 to $8.20.

THE CLOSE.

Prices at the close were as follows:

RIDGLEY TAKES THE OATH.

Washington, Oct. 1.—William B. Ridgley, of Illinois, who was appointed recently comptroller of the currency, to succeed Charles G. Dawes, resigned, took the prescribed oath today and entered upon the duties of his office. Mr. Dawes resigned to enter the campaign in Illinois for United States senator and will leave for that state tomorrow.

HINMANE OFFICER'S REPORT.

To the officers and members of the Fort Wayne Humane society, following is my report for the month of September, 1901:

—Human Beings.—

Total number of cases investigated	12
Number of destitute families calling for aid	4
Number of children in these families	10
Of these families two were reported to the township trustee, one to the Relief Union and one to the Associated Charities.	
Number of children beaten or otherwise abused	5
Number of incorrigible children called to warn	3
Number of wife beaters	4

One of them was prosecuted and is now in jail, three were warned. One man was turning a hand organ and compelling his nine year old daughter to go from door to door and beg; he was ordered to get out of town or he would get into trouble. He resides in Waterloo, Iowa, and says he is well off. He came through here in June last and was then ordered out of town.

Found permanent home for one child.

Doubtful Economy.

Doesn't seem rather unreasonable that a man will go into a little fret restaurant, pay him 2 of coin o'coal in about 13 inches of space, and amidst the yells of the waiters and the rattling of dishes—suffering by the smells of the kitchen and hot humidity, crowd down 2 or 25 cents worth of indigestible "short orders," when you can come here and for five or ten cents more enjoy a square meal, plenty of room and air, and be served promptly and quietly with the best of everything.

Think this over and drop in here tomorrow.

A NEW DEPARTURE.

A New, Effectual and Convenient Cure for Catarrh.

Of catarrh remedies there is no end, but of catarrh cures, there has always been a great scarcity. There are many remedies to relieve, but very few that really cure. The old practice of snuffing salt water through the nose would often relieve and the washes, douches, powders and inhalers in common use are very little, if any, better than the old fashioned salt water douche.

The use of inhalers and the application of salves, washes and powders to the nose and throat to cure catarrh is just as much a blood disease as kidney trouble or rheumatism and it cannot be cured by local treatment any more than they can be.

To cure catarrh, whether in the head, throat or stomach an internal antiseptic treatment is necessary to drive the catarrhal poison out of the blood and system, and the new catarrh cure is designed on this plan and the remarkable success of Stuart's Catarrh Tablets is because being used internally, it drives out catarrhal infection through action upon stomach, liver and bowels.

Wm. Zimmerman, of St. Joseph, relates an experience with catarrh which is of value to millions of catarrh sufferers everywhere. He says: "I neglected a slight nasal catarrh until it gradually extended to my throat and bronchial tubes and finally even my stomach and liver became affected, but as I was able to keep up and do a day's work, I let it run along until my hearing began to fail me and then I realized that I must get rid of catarrh or lose my position, as I was clerk and my hearing was absolutely necessary.

"Some of my friends recommended an inhaler, another a catarrh salve, but they were no good in my case, nor was anything else until I heard of Stuart's Catarrh Tablets and bought a package at my drug store. They benefited me from the start and in less than four months I was completely cured of catarrh, although I had suffered nearly all my life from it.

"They are pleasant to take and so much more convenient to use than other catarrh remedies that I feel I cannot say enough in favor of Stuart's Catarrh Tablets."

A little book on cause and cure of catarrh will be mailed free by addressing F. A. Stuart Co., Marshall, Mich., and the tablets are sold by all druggists in the United States and Canada.

H. H. Haines is absent on a business trip through Ohio.

COLDS

The quickest relief, for a cold, is by Scott's emulsion of cod-liver oil.

We all have colds, you can try it and see. You will find the edge taken off in a night; and, in three or four days, you'll be wondering whether that cold amounted to anything anyhow.

That's relief. If you tackle it quick, the relief is quick and complete, if you wait till the cold is in full possession of head and lung, why, of course, the relief is quick if it comes in a week.

A little emulsion won't clear and restore your whole breathing-machine in a minute; don't be looking for miracles.

We'll send you 50 cts. to pay for the SCOTT & BOWNE, 409 Pearl street, New York.

Satisfactory Spices.

Good spices—our kind—are one of the joys of a housekeeper's heart. We have mace, Ceylon cinnamon, nutmegs, ginger, cloves, allspice and any other spices which are useful in canning and preserving.

We sell them either whole or ground and in any quantity.

SOUTHERN PACIFIC NEWS

HARRIMAN ELECTED PRESIDENT OF THE COMPANY.

MACHINISTS AGAIN SCARCE

ELECTRIC WORKS LOOKING FOR SKILLED WORKMEN.

Mr. F. D. Crawford, superintendent of motive power of the Pennsylvania Northwestern system, is in receipt of notice of the appointment of R. M. Durborow to the office of superintendent of motive power of the Pennsylvania lines east of Pittsburg, a position that has been filled by Mr. F. D. Cusanave for several years. Nothing concerning the resignation of Mr. Cusanave or his transfer to the Baltimore and Ohio road has been received and the belief prevails here that he has put an intention formed over a year ago into effect and has retired from railroad work on account of failing health. A dispatch published in some of the metropolitan morning papers and bearing a Cleveland date, states that Mr. Cusanave has been appointed mechanical superintendent of the Baltimore and Ohio road. This story is not credited here, because the transfer would not be in the line of promotion and it would mean more work than a man in feeble health and advanced age would care to assume. It is known that the Pennsylvania is going to reorganize the mechanical department of the Baltimore and Ohio to conform with the rules governing that department of the Pennsylvania and upon the superintendent of the department will fall a good portion of the work of the change. Mr. Cusanave was master mechanic of the western division of the Pittsburg, Fort Wayne and Chicago road when the piece work was inaugurated in the shops in 1882. Mr. Durborow was superintendent of motive power of the Buffalo and Allegheny road, which he resigned to take his new position. He was once superintendent of motive power of the Pittsburg, Wilmington and Baltimore road also.

BIG CAR WHEEL SHIPMENT.

Twenty car loads of car wheels left the Bass foundry this morning for the east. Had cars been available the shipments would have reached double that amount, but they are scarce and shipments are thus retarded.

BLEW OUT CYLINDER HEAD.

Engine 170, which was pulling Nickel Plate passenger train No. 3, westbound, blew out a cylinder head while on the road between Linden and Fostoria yesterday, and was stalled. Engine 18 was sent to the rescue and helped the cripple along, running as a double-header with No. 170. The train was forty-five minutes late in reaching this city.

TRANSFERS TO BASS WORKS.

Morris J. Lee resigned a position at the Pittsburg machine shops yesterday and immediately accepted another position at the Bass works, working for awhile in the night gang. Mr. Lee has been employed at the Pittsburg shops over a quarter of a century. For some time he has had charge of the pipe work in the locomotive department and he resigned because the duties of that position were too heavy for him. For some time Mr. Lee has been in poor health and it is his intention to go to California next spring to reside.

FROM SHOP TO ARMY.

Arthur C. Major has resigned his position in the works of the Western Gas Construction company and left yesterday for Indianapolis, where he will be assigned to some portion of the United States army, he having enlisted in the service. Arthur has a brother in the Eighth infantry, now in the Philippines, whose term of service will expire in a few weeks. The young men are sons of David H. Major, the well known Wabash shopman.

DEMAND FOR MACHINISTS.

There appears to be a decided shortage in the supply of skilled mechanics in the city. Supt. A. E. Barnes, of the Electric works, said this morning that he needed about six good workmen and was particularly desirous of getting a man accustomed to tempering dies, tools, etc. Other shops are also short of skilled help and the situation appears to be growing worse as the winter season approaches.

MR. HAYS' SUCCESSOR.

E. H. Harriman, chairman of the executive committee of the Southern Pacific road, has been elected president of the company, vice Charles M. Hays, resigned. Mr. Harriman will direct the affairs of the road from his office in New York.

NEWS REACHES CALIFORNIA.

San Francisco, Oct. 1.—The announcement that E. H. Harriman had assumed the presidency of the Southern Pacific company, coupled with the appointment of Julius Kruttschnitt as his assistant, was received to this city with considerable surprise, for the elevation of the fourth vice president to be the chief administrative officer of the corporation had not been anticipated. It is understood that Mr. Kruttschnitt will assume most of the duties and responsibilities of the president, as all officers heretofore reporting to the president have been ordered to report to him. E. H. Fitzhugh, who was recently appointed assistant to President Hays, will soon return east. E. Huntington, first vice president, who has arrived here from New York, said today that he would not again take an active part in Southern Pacific railway affairs. Although retaining the title of first vice president, he was devoting his time, he said, to his private affairs. Mr. Huntington today confirmed the report that the Pacific Improvement company has sold its entire holdings in the Mexican National Railway company to the Speyers, of New York.

A PAINFUL WOUND.

E. P. Galland, of the Pittsburg machine shops, sustained a bad wound to his right hand this morning, at 8 o'clock. A sliver of steel entered the palm and ran down into the index finger a distance of over two inches. The piece was extracted only with the greatest difficulty, the young man submitting to the ordeal with remarkable nerve. Later he went to the company's surgeon and had the wound dressed.

OFFICIALS COMING WEST.

This evening at 5:40 Fourth Vice President J. T. Turner and General Superintendent Charles Watts, of the Pennsylvania, will pass through the city in a special car attached to train No. 11. They are en route to Chicago. Supt. J. B. McKim went to Crestline this morning to join the higher officials and accompany them over the western division of the road.

INDUSTRIAL NOTES.

W. Walker has taken a position as freight brakeman with the Pittsburg.

Nickel Plate Fireman E. Bisel is sick and off duty.

Pittsburg Fireman J. A. Kelley is sick and off duty.

Assistant Roundhouse Foreman F. J. Burns is fishing at Blue lake today.

Pittsburg Engineer D. Truesdale reported for work on the road this morning.

Nelson Ritchs has returned to his duties at the electric works after a severe illness.

Conductor G. M. Sauer, of the Nickel Plate, is attending the Pan-American exposition.

J. W. Hilgeman went to Elkhart, Ind., this morning in the interest of the Fort Wayne Electric company.

Nickel Plate Engineer Joseph Mills has taken a vacation for the purpose of visiting his sister in Michigan.

N. B. Hardendorf, of the Pittsburg blacksmith shop, is entertaining his mother, Mrs. M. E. Hardendorf, of Rome City.

Henry Shuster, foreman of carpenters at the Pittsburg shops, is taking a lay off to attend to some private business.

Miss Blanche Lindsey, telegraph operator at the electric works, resumed that duty this morning, after a two weeks' vacation spent in the east.

Harry L. Bearinger, clerk in Cashier J. K. McCracken's office, at the Pittsburg freight offices, resumed his duties this morning after a vacation spent in the east.

Fred Lepper, a patternmaker at the Pittsburg shops, is off duty as the result of an accident yesterday. A block of wood struck him in the eye, injuring the optic severely.

M. P. Gaskill, Joseph Funk, A. J. Schirmeyer and M. C. Haviland, Pittsburg shopmen, are off duty on account of sickness. F. C. W. Meyers is looking after private business.

Conductor C. F. Thomas and Brakeman H. Manley resumed their respective duties on the Pittsburg this morning. They had been off duty several days for various reasons.

Clark Albers will serve as clerk for T. J. Rodabaugh, foreman of the Pittsburg paint shops, during the absence of the regular clerk, Carl Mobrock, who is taking his vacation.

At the regular meeting of A. G. Porter lodge, Brotherhood of Locomotive Firemen, last evening I. C. Patton, a Grand Rapids and Indiana Fireman, was taken into full membership.

C. V. Jennings, night yardmaster of the Wabash, is off duty on account of sickness, and Assistant Day Yardmaster W. E. Rowe is acting as night yardmaster during the illness of Mr. Jennings.

J. Waldman, who was sick two weeks, and H. Daseler, who was taking a week's leave of absence to look after private business, reported for work at the Pittsburg boiler shop this morning.

L. O. Starr was transferred from the car shops to the locomotive machine shop of the Pittsburg, commencing work in the latter place this morning. He returned last night from Pittsburg, where he spent a week with friends.

Chief Dispatcher A. S. Johnson, of the Findlay, Fort Wayne and Western road, who had been spending a vacation here and at Rome City, returned to Findlay this morning to resume the duties of his office. Mrs. Johnson also returned to that city.

Mr. and Mrs. William C. Slater have returned from their wedding tour and are now "at home" to friends at the residence of the groom's parents, Mr. and Mrs. Joseph Slater, 19 Bass street. Mr. Slater resumed his duties in the Bass offices this morning.

Henry Hille, assistant baggage master at the Wabash depot, has had his full share of the misfortunes of life lately. For two weeks or more he was confined to his home by sickness and just as he reached the point where he hoped to resume work in a day or two, his little son was taken with scarlet fever and Mr. Hille is now quarantined.

Charles Becker, requisition clerk at the electric works, has returned to duty after a week's vacation.

On account of the sickness of his wife Yard Engineer C. C. Adams, of the Pittsburg, is off duty.

Division Freight Agent W. A. Sprout, of Toledo, was looking after the interests of the Wabash in the city last night.

Nickel Plate Fireman W. H. Bell has been granted a two weeks' leave of absence and has gone to Kansas City to visit his folks.

Dallas Misner quits a position at the laboratory of the electric works yesterday to take a position as fireman on the Pittsburg road.

Thomas Louthan and Guy Wise are being instructed in the work of calling Pittsburg train crews and will be placed on the extra list for awhile.

Engineers Grant Rhodes, Frank Simcuten, J. C. Grable, H. D. Rose and W. Slagle, of the Pittsburg, are taking a lay off for various purposes.

Engine 4, of the Nickel Plate, has been assigned to a local freight run between Bellevue and Leipsic. She was in the through freight service some time.

C. D. Reece, who was engaged at special work in the motive power department of the Pittsburg for the past year, has taken a position in the air brake department of the shops.

Conductor H. Renbarger, who had been sick, and Brakeman J. A. Deahl, who had been off duty on account of the illness of his wife, reported for duty on the Nickel Plate yesterday.

Pittsburg Engineer W. C. Bender, who had a leg broken several weeks ago, is experiencing a little pain and trouble from the limb and has taken a lay off for a day or two to recuperate.

G. A. Dornberg, chief lineman of the Pennsylvania lines west of Pittsburg, was in the city over night, leaving this morning for the north over the Grand Rapids and Indiana road.

The railroad branch of the Young Men's Christian association of Kansas City on Thursday celebrated the twenty-fifth anniversary of its establishment with appropriate exercises.

Brakeman Ed Morrison, of the Nickel Plate, who had some fingers hurt on Saturday night, will not lose any of the digits. Only the first and second fingers of the right hand were pinched.

Charles E. Stapleford, foreman of Nickel Plate car inspectors and repairers, has returned home after a visit to the Pan-American exposition and Niagara Falls. Mrs. Stapleford also made the journey.

A break in the machinery in the power station at the Pittsburg shops made it necessary to suspend operations in the lathe and planer departments of the machine shop from 9 o'clock until this morning.

Yard Conductor Theodore Bley, of the Pennsylvania, has returned home after a somewhat extended visit east. He spent two weeks at the home of his boyhood and was a witness at the first race of the yachts, Columbia and Shamrock II., Saturday.

Engineer Henry Siebold, of the Pennsylvania, who has been sick for three or four months, has so far recovered that he has decided to report for duty the latter part of the week. His fellow enginemen will welcome Mr. Siebold back in the service.

The Nickel Plate derrick car is receiving general repairs and being placed in shape for winter service, when wrecks are more frequent than during the summer months. When the fact that the car was in service only once in the past four months is considered, it would seem that extensive repairs are a needless expense.

Bloomingdale Mills Snow Flake Flour for sale by all groceries. Every sack guaranteed. J. G. Brudi. 28-eod-1m

Frank Lehman became a blacksmith's helper at the Pittsburg shops this morning. He had been previously engaged in the yards at the shops as a laborer, under Foreman Martin Kramer.

SEVENTEEN DEAD

TERRIBLE MINE EXPLOSION IN BRITISH COLUMBIA.

OVERTAKEN BY THE FLAMES

ESCAPE CUT OFF AND THEY PERISHED.

MINER'S LAMP THE CAUSE

THE THRILLING ESCAPE OF ONE MINER.

Victoria, B. C., Oct. 1.—Seventeen men are dead as a result of a fire and explosion in Extension mine No. 2, belonging to the Wellington Colliery company. The flames started from a curtain which caught fire from a miner's lamp.

THE DEAD.

A dispatch from Extension, B. C., gives the following list of dead in the Dunsmuir mine disaster:

George Southcomb, timberman; Eugene Griffin, timberman; —— Welsh, manager of the Ladysmith base ball club; John Patterson, James Watson, Michael Dolan, William Pollock, E. Lynd, John McCallum, K. Blackley, E. Hazel, Frank Mottisha, Charles Noye, Archibald Reeves, —— Boyd, —— Hamilton, Antonio Pescettelli.

James Thomas, a rope rider, had a thrilling escape. He was riding down the slope, and, seeing the fire coming, he jumped off the car and ran. George Southcomb and Eugene Griffin, timbermen, called to him to follow them, but he ran on up the slope for 1,000 feet to its mouth and barely escaped with his life.

The other men were overtaken by the flames and perished. The fire is still raging, but it is thought it can be extinguished without flooding the mine.

ENGINEER MACHARG HERE.

W. S. MacHarg, the sewer expert, arrived from Chicago last night on invitation of Mayor Berghoff, and this morning made another examination of the South Wayne sewer. He was accompanied on his exploration tour by Chairman Eggemann, City Engineer Randall and Mayor Berghoff; Contractor Peters, of course, being also in the party. The occasion of Engineer MacHarg's professional visit is to give an opinion on the points of construction of the sewer which is at present a serious problem with the board of works. Mr. MacHarg was seen by The Sentinel shortly after noon and he said that he was at that time in no position to say anything for publication, nor even give a confidential opinion. He has seen only a portion of the work and has had no opportunity of examining the bottom of the sewer upon which the brickwork rests. By tomorrow noon a portion of one section will be ready for the bricklayers and he will be present to see the work done and judge of the conditions as they then exist.

BIG HOTEL BURNED.

Houghton, Mich., Oct. 1.—The Douglas house early today was damaged by fire to the extent of $100,000. The flames, which broke out in the kitchen, enveloped almost the entire structure before the guests could be aroused. All got out safely, but there were several narrow escapes. The front part, in which the Postal telegraph, Chicago, Milwaukee and St. Paul and the Chicago and Northwestern offices and Haugh's jewelry store were located, was saved. The property was heavily insured.

STRIKE ON CROTON DAM.

New York, Oct. 1.—All the stone cutters and masons employed on the work at the Croton dam in Westchester county went out on strike today. The strikers include the stone cutters at the Peekskill quary. No cause has been assigned here, the constractors say, for the action of the men. Between 200 and 300 men are out. The Croton dam was the scene of the great strike last year when the National Guard had to be called out and one soldier was shot and killed by the strikers.

JOINED THE STRIKERS.

The ranks of the striking electricians were augmented yesterday when all the union men in the employ of the Edmunds Construction company went out. Mr. Edmunds states that the strike of his union workmen will not affect his business materially, as he still has a force of skilled men who are not members of the union. The employers state emphatically that they will not sign the agreement submitted by the union, and on the other hand the union men say they will not return until the agreement is signed.

THE MORGAN SPECIAL.

San Francisco, Oct. 1.—The special train bearing J. Pierpont Morgan and his guests, who are delegates to the Episcopal conference which opens in this city on Wednesday, arrived here today after a pleasant trip across the continent. On arriving on this side of the bay Mr. Morgan was driven to the Crocker mansion, which has been placed at his disposal during the term of the conference.

IS HELD FOR BURGLARY

A BOOK AGENT TRIES GAME ON A FRIEND.

Went Fishing With Boyd Snyder and Then Attempted to Rob His Saloon—Bound Over.

V. J. Zalkaski was arraigned in police court this morning charged with burglary, having attempted the robbery of Boyd Snyder's saloon, on Lafayette street. He entered a modified plea of guilty and was bound over to the circuit court in the sum of $1,000. He could not furnish bond and went to jail.

Zalkaski has been in the city for several weeks, working as a book agent. He formed the acquaintance of Snyder and Monday the two men went fishing. Snyder accommodatingly closed his saloon so that he might give his friend the benefit of his company on the piscatorial expedition. They carried with them the usual appurtenances necessary for a well-regulated party of fishermen and carried some extra bait in long, dark bottles. At the trial this morning not much was said about the fish caught, but it was shown that the bottled bait suffered total annihilation. The fishermen returned home Monday night and both admitted that the bait had got in its work and both were pretty well "tanked." They took a few parting drinks in Snyder's saloon and then separated, as they thought, for the night. Not so, however. About 2 o'clock this morning Mr. Snyder, whose wife is away on a visit, and who was sleeping over his saloon, was awakened by a noise on the roof of a small shed in the rear of his property. He dressed quickly and going into his back yard saw a man evidently making his way into the saloon through the transom over the rear door. He climbed to the roof of the shed by the same means that his visitor had used and slipping up quietly, seized the man, then partly through the door, by the legs. There was a struggle, but finally Snyder won, and the two dropped to the ground below, where Snyder continued operations by unmercifully beating the would-be burglar. Officer Heller, who fortunately happened to be close by, attracted by the noise, came on the scene and the burglar was arrested. When brought to the light Snyder was horrified beyond measure to find that the marauder was no other than his fishing companion of the day before. Snyder had $82 in the till in his saloon and this his friend knew. Zalkaski thought that the booze the two had drank would make Snyder dead to the world for a couple of hours, and while they were in the saloon together he figured out his plans. He said he had no intention of taking all of the money, but needed $7 to send to his wife in Pennsylvania. Snyder was rather loathe to prosecute the man, whom he said he considered a friend, but he offered no objection to the law taking its course. Judge Louttit accordingly bound him over as above stated.

OTHER POLICE CASES.

Thomas Maguire, who claims to be a sailor and a resident of New Jersey, stated for drunkenness, read impressively from his log book and was given time to start for New Jersey.

Henry Knoeder, also booked for drunkenness, said he had a family and would be good if permitted to go. One dollar and costs was suspended so long as he behaves as well as he promised to.

George and John Renschler, aged ten and eleven, respectively, were present with their father and answered to implication with Percy Bigelow in the theft of some zinc from the Nickel Plate railroad. They were fined $30 each and after giving them a severe lecture Judge Louttit suspended sentence, the boys promising exemplary behavior.

ACCOUNTS DIFFER

ADMIRAL EVANS TESTIFIES AS TO REPORTS.

TELLS MORE OF THE BATTLE

ENTERS DENIAL TO SOME OF COMMON REPORTS.

CAPTAIN SIGSBEE IS HEARD

COMMANDER OF ILL-FATED MAINE ON STAND.

Washington, Oct. 1.—Additional interest was elicited in the Schley inquiry today by the appearance as a witness of Capt. Charles D. Sigsbee, who commanded the ill-fated battleship Maine at the time she was blown up in Havana harbor and who commanded the converted cruiser St. Paul of the scout fleet during the West India campaign.

He was summoned with a view of throwing light upon some of the dispatches sent from that vessel.

Admiral Robley D. Evans was on the stand a considerable time and subjected to severe cross-examination.

SYMPATHY FOR LEMLEY.

General sympathy was expressed on the part of the court and those in attendance with Judge Advocate Lemley because of the death of his sister, which occurred yesterday.

Captain Lemley was present when the court convened, but immediately withdrew. Captain Miller, who commanded the collier Merrimac before she was sunk by Lieutenant Hobson, was called for the purpose of correcting the official record of his testimony given yesterday.

Admiral Evans was then recalled. Mr. Raynor began his interrogations by asking the witness concerning the secret code of signals for communicating with the Cuban insurgents near Cienfuegos. The admiral said that when Captain Chadwick communicated this code to him he did not instruct him to give the information to Commodore Schley. Mr. Raynor then questioned the witness especially as to his interviews with Commodore Schley after the battle of Santiago.

Admiral Evans was then excused and Mr. Thomas M. Dieuaide, newspaper correspondent, who was on board the Texas during the Santiago campaign, was called.

The witness detailed the experience on the Texas during the battle, his testimony covering the alleged danger of the Texas from the Brooklyn during the execution of the famous loop. He had his notes taken during the battle with him and when excused until tomorrow was asked to bring the newspaper account he had written of the engagement.

In the course of his testimony Admiral Evans denied that he had said after the battle of Santiago that Captain Philip, of the Texas, had tried to run away, it being alleged the words were spoken to Admiral Schley.

It was further brought out that there is a radical difference in point of time between Admiral Evans' report of the Santiago fight and the report of Admiral Schley. Admiral Evans said there were no plans for a battle given the officers of the fleet when it left Cienfuegos, though official reports alluded to in the evidence showed that Admiral Schley had directed what was to be done at Santiago in case the Spanish fleet came out. Admiral Evans, however, did not consider that this was a plan of battle.

CAPTAIN SIGSBEE CALLED.

Capt. Chas. D. Sigsbee, who commanded the scout ship, St. Paul, during the Spanish war, was next called. He said that in obedience to orders from Captain Wise, who was his commanding officer, he had proceeded to the vicinity of Santiago, arriving there on the 25th. He told of taking aboard the Cuban pilot, Nunez, and said he did not have great confidence in the individual. His instructions were to report to Commodore Schley that the Spanish squadron probably was in Santiago harbor. He fell in with the flying squadron on the evening of May 26th, the squadron then being 20 or 25 miles south of Santiago. He had reported to Commodore Schley that he 'knew nothing positively' about the Spanish fleet. He was then asked if he had expressed his belief to Commodore Schley that Cervera's fleet was not in the harbor as reported later by Commodore Schley.

A controversy arose over the admissibility of the question, and the court took a recess for luncheon before receiving the reply of the witness.

When the Schley court reconvened after luncheon Captain Sigsbee resumed his testimony.

Mr. Hanna repeated his question, asked before recess, quoting from Admiral Schley's report of February 18, 1899, the sentence reading: "After having been assured by Sigsbee that he did not believe the Spanish fleet was in Santiago."

SIGSBEE PROTSTS.

The witness replied: "I stated that we had seen nothing of the Spanish fleet. I may have stated that I knew nothing positively or absolutely about its movements, but I recited certain events to show that there was a probability of the fleet being in Santiago at that time. In regard to the other matter I beg to make an appeal to the court. This case is one involving reputations. It has been stated by Commodore Schley in an official letter to the United States senate that I expressed a certain belief. Now it has been made a public matter. I think that either the court or the defense should allow me to express under oath what I really said. Whether I expressed that belief or not it may be technically right to interfere with me, but according to the ethics of the naval service I think the defense ought to permit me to answer that question."

"We have no objection to that," said Mr. Raynor.

"I have given an answer to that question. I have said nothing about my belief."

Mr. Hanna: "The portion of the question to which I should like to have you give an explicit answer is, whether you assured Commodore Schley that you believed the Spanish fleet was not in Santiago?"

"I did not say that 'I believed it was not there.' I said I had not seen it."

"Did you give him any assurance which would point in that direction?"

"I made known first my orders from the navy department, which stated that the Spanish fleet was reported to have arrived there."

Mr. Hanna then read a letter which Captain Sigsbee had on May 26th written to Commodore Schley reporting the taking of the pilot Nunez aboard from the Jason and the capture of the British steamer Restormal as a prize. He said in that letter: "No news here. I have seen absolutely nothing of the Spanish fleet."

EMMA GOLDMAN WILL SPEAK

WILL REPEAT WORDS THAT FIRED CZOLGOSZ.

Anarchist Priestess Wants Public to Judge Her Cleveland Tirade—Appears in Chicago.

Chicago, Oct. 1.—The speech which Leon Czolgosz claims inspired him to assassinate the president will be repeated by Emma Goldman here Thursday night. Czolgosz heard this lecture in Cleveland and Miss Goldman said today she wished to give the public a chance to see if there was anything incendiary in it. So deep has been the feeling against the anarchists that not until yesterday were the "reds" able to secure a hall at any price. Chief of Police O'Neill said he would have detectives in the hall to preserve order and keep the speaker's utterances within proper bounds.

LINEMEN ON STRIKE.

Chicago, Oct. 1.—Three hundred and fifty linemen and repairmen, employed by the Chicago Telephone company, went on strike today for higher wages. At present the wage scale is $2.75 a day for linemen and $3.00 for foremen. The striking employes demand an increase respectively to $3.25 and $3.75 a day. Officials of the company claim the strike will not affect the operation of their lines.

THE RACE IS OFF

ANOTHER FLUKE IN THE CUP MATCH.

PROMISING WIND GIVES OUT

SHAMROCK HALF MILE AHEAD WHEN CONTEST ENDS.

SMALL DISTANCE COVERED

BIG CROWD DISAPPOINTED AT OUTCOME.

New York, Oct. 1.—With the Shamrock half a mile ahead of her rival on the second leg of the triangular yacht race today the contest was declared off.

What had been a fourteen knot breeze early in the day became a succession of flukish gusts between which the yachts at times lay almost becalmed. It was seen to be impossible to finish the race in the time limit and the race was declared off.

THE COURSE.

After a conference on board the committee boat signals were set for a course as follows:

The first leg, due east, a beat; the second, south southwest, one-half west, a broad reach on the port tack, and the third north northwest, one-half west, a close fetch to the finish on the starboard tack.

Meanwhile the wind had fallen so light that the two big yachts stood up like churches, the breeze not being strong enough to give them any heel.

By the time the preparatory gun was fired the yachts scarcely had steerage way, while the flags on the committee boat barely being lifted out from the mast. In order to facilitate her manouvering the Shamrock broke out her baby jib top sail, as also did the Columbia. The yachts spent more than seven minutes after the preparatory signal was fired in following each other in circles about the committee boat. Soon after the warning signal was fired the Columbia stood off and then headed back for the Shamrock, which at that time was standing on the starboard tack and heading for the line. There was the usual jockeying for the windward berth.

HARD LUCK FOR BRITISHER.

Hard luck was with the British challenger, for she stood in too near the line and went over before the starting gun was fired. Columbia, on the other hand, was in beautiful position and poked her bow across the line a few seconds after the gun was fired. The Shamrock had to wear to recross the line, this mistake badly handicapping her at the outset. The wind was not more than four knots, and both yachts headed for the Long Island shore on the starboard tack. The Columbia was far to the windward, but the yachts were apparently on equal terms as far as footing was concerned.

WIND VERY LIGHT.

At this time the wind was discouragingly light and it seemed an impossibility that the yachts would finish within the time limit.

The yachts held this tack for about six minutes, when the Shamrock taking the lead in tacking, again went on the port tack. Barr waited nearly two minutes before following suit and the wind was so light that both yachts were more than thirty seconds swinging in stays.

For nearly an hour the Columbia and the Shamrock held the port tack, the wind being so light at times that they alternately fell off with the sea and then luffed up. Shortly after 12 o'clock they were for a little time practically becalmed, but through it all the Columbia maintained the lead which she had secured at the start. About half past 12 there were signs down the Jersey coast that the wind was increasing, and both skippers evidently catching scent of this fact, at 12:41 went about on the starboard tack.

A PROMISE OF WIND.

What wind there was had hauled around a little to the south of east, and it looked as if there would be no more windward work in the race if it held from that quarter. With the wind from that direction the two remaining legs would be reaches. Far out to sea there was at this time a dark streak, showing that there at least was some wind. In shore toward the mouth of the harbor a fine eight-knot breeze was blowing, sending the small sail boats about at a lively rate. But up off the Long Island shore where the big racers were there was no wind and they made but slow progress toward the first mark.

It was slow work for the next twenty minutes, but then the fickle wind, which had been blowing everywhere but on the yachts, caught them at last. The Shamrock got it first and with her canvas filling out darted ahead and rapidly cut down the distance between her and the Columbia.

SHAMROCK TAKES LEAD.

Captan Sycamore took every possible advantage of the favorable slant and before it had reached the Columbia he was almost on even terms. Fortune was with the British skipper, and holding light to the air current which he had caught, he slowly worked into the windward berth and then took the lead.

It was not much of an advantage, but for the first time since they crossed the line the Britisher was ahead. It was just 1:15 when, beyond question of doubt, it was seen that the boats had changed the positions that they had held since the start. The fluky, shifting wind seemed always to favor the Shamrock. Try as he would the American skipper could not catch as favorable air current and at 1:52 the Shamrock had a good four lengths of open water between her stern and the Columbia's bow.

NEAR FIRST MARK.

In the meantime the Shamrock had taken in her baby jib top sail and the boats were rapidly nearing the first mark.

The Columbia set her jib top sail and a few moments later the Shamrock followed suit. Both boats were now getting a good slant of wind and it seemed as if the Britisher was making the most of it, her sails drawing well, and apparently momentarily widening the gap between herself and her rival.

The race had become a pretty struggle for the first mark despite the lightness of the wind.

With alternate advantage from the flukish winds, first one boat led and then another. As the first mark was neared the Shamrock caught a good breez and drew away from her opponent, rounding the mark at 2:41:36. Columbia was more than three minutes behind, turning the mark at 2:44:44.

After turning the mark both boats went on the port tack, heading with the present direction of the wind, a close reach to the second mark.

The wind was fitful and at times seemed almost to have abated.

ABOUT THE COURT HOUSE

Charles E. Toler sues for divorce from Minnie Toler. The complaint alleges that the parties were married on the 3d day of September, less than a month ago, and that they lived together only until the 28th. Minnie started out to act badly from the very first and swore at her husband, sat on other men's laps in public and finally became guilty of adultery, Fred Brown being named as the co-respondent.

The local board of charities yesterday visited the county poor farm. The board complimented Superintendent Turflinger in the highest terms of praise and said that the general condition of the buildings in every way were never better than they found them on this last visit.

The superior court was not in session today, but will resume business at the old stand on Thursday morning.

LOCAL LINES.

Charles J. Michel and family are spending a few days at Lake Wawasee.

Carl Seibel has returned home to Cleveland, Ohio, after a visit with friends in the city.

Mrs. Fred Reger has returned home to Niles, Mich., after a visit with Mr. and Mrs. W. H. Rohan.

There will be a special meeting of the Trades and Labor council this evening at 31 East Berry street, third floor.

Mr. and Mrs. James Dormer and Mrs. C. C. Craig leave this evening for a visit of several weeks in Canada and eastern New York.

Mrs. Kolfer, who has been the guest of her father, Samuel Heilbroner, for some time, returned today to her home at Dayton, Ohio.

The Allen County Medical society will meet this evening in the assembly room of the court house. Dr. Porter will read a paper.

Sneak thieves have been at work in the stores recently occupied by the Randall Wheel company, and many small articles have been stolen.

On Wednesday afternoon Mrs. Carpenter, of 302 East Wayne street, will entertain the Ladies of the Union Veteran Legion and their friends.

Lieut. F. E. Davis, who was temporarily stationed at Fort Sheridan, has received instructions to report at Fort Reno, Okla., where two companies of the Eighth cavalry are stationed.

THE LAW UPHELD

WEEKLY WAGE LAW DECLARED CONSTITUTIONAL.

A VICTORY FOR THE STATE

DECISION OF IMPORTANCE IS RENDERED.

RULING MADE AT MUNCIE

TEST CASE ESTABLISHES THE LAW.

(Special to The Sentinel.)

Muncie, Ind., Oct. 1.—In the circuit court here today the state weekly wage law was held to be constitutional.

The decision was rendered in a case wherein some of the big manufacturies were interested, and it is of importance over the entire state, especially in this city, Indianapolis, Fort Wayne, Elwood, Anderson and other large manufacturing centers.

The law has been extensively ignored and the state officers charged with its enforcement have been awaiting a decision.

The decision today declares the law constitutional in every particular.

PLANS NEAR COMPLETION.

Architect Grindle stated this afternoon that the plans and specifications, for the new Fort Wayne public library would be ready to turn over to the board of school trustees on Wednesday evening.

WAYNE CLUB CLOSED.

The Wayne club has been closed pending a possible reorganization, and just at present the future of the club is somewhat uncertain. It is understood that a number of societies are desirous of securing the building.

LOCAL NEWS.

S. R. Beecher and family, of Van Wert, Ohio, are in the city on a visit.

Miss Phenie Michael left this morning for Chicago to resume her studies at the Art institute.

Mr. and Mrs. J. R. Bishop, of Bluffton, were in the city yesterday to visit Mr. Bishop's sister, who is a patient at Hope hospital.

Mrs. W. M. Schreg and Mr. and Mrs. A. L. Brown and daughter, of Huntington, are the guests today of Mrs. A. Gross and family, of 29 Charles street.

Delmer C. Fitch returned yesterday from Chicago, where he attended a meeting of the fire underwriters of the northwest, held at the Auditorium hotel.

Miss Josephine Zartman left today for Philadelphia, where she will be the guest of her uncle, Rev. E. C. Zartman, and her cousin, Rev. P. E. Zartman, both well known clergymen of that city.

Mrs. Celia Racine, of Washington township, brought to the city today a handsome specimen of strawberry plant heavily loaded with well-developed berries of the second crop for the present year.

Samuel Heilbroner returned this morning from a very pleasant visit at St. Louis. His son, Louis Heilbroner, manager of the St. Louis base ball team, will return home the middle of the present month.

Mrs. Frank Bott and children have returned home to Logansport, after a visit with relatives in the city. Mrs. Bott's sister, Miss Saphia DeWald, accompanied her home and will remain in Logansport this winter.

The regular monthly meeting of the ladies of the Grace Reformed church will be held Thursday afternoon at the church at 3 o'clock. The ladies will serve the monthly supper in the church parlors from 5 o'clock until 9:30.

Within the past ten days the price of potatoes has dropped nearly seventy cents. The high water mark was reached about two weeks ago, when the tubers were quoted at $1.35 per bushel. Today the wholesalers are making quotations of seventy cents on small lots and sixty-five cents on wagon loads.

Messrs. Will Peltier, Harry Meyer Marion Black and Louis Ohnhaus left this morning for Laud, a small village west of the city, making the trip by automobile and motorcycles. Dr. White, of that hamlet, recently acquired an automobile and the machine balked a few days ago. Dr. White was unable to have his carriage repaired, and the Fort Wayne gentlemen will endeavor to set it to rights.

FIRM FOUNDATION.

NOTHING CAN UNDERMINE IT IN FORT WAYNE.

People are sometimes slow to recognize true merit and they cannot be blamed, for so many in the past have been humbugged. The experience of hundreds of Fort Wayne residents expressed publicly through the newspapers and other sources places Doan's Kidney Pills on a firm foundation.

Mr. S. E. Beck, of 104 Ewing street, says: "Ever after I had my foot cut off six years ago, I had symptoms of kidney trouble. I don't know whether it was the shock of the accident or the effects of the operation, but which ever it was I had kidney complaint, and try what I would, I could not get relief until I procured Doan's Kidney Pills at Meyer Bros. & Co.'s drug store and began taking them. My back ached very bad at times and I could hardly stoop. The first few doses of Doan's Kidney Pills did me a great deal of good, and in a short time the symptoms disappeared."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the U. S.

OLD SETTLERS' ASSOCIATION

THE EXECUTIVE COMMITTEE IS NAMED THIS MORNING.

Final Appointments in the Official Staff of the Pioneers Made by President Vordermark.

The organization of the Allen County Old Settlers' association was completed this morning when President John W. Vordermark made the appointment of the executive committee to serve for the ensuing year. The committee is as follows:

George W. Jones.
William Boone.
Charles McCulloch.
J. P. Tinkham.
John Dalman.

All are residents of Fort Wayne and have been prominent in the history of Allen county for many years. This committee, together with the other officers elected, will have full charge of the matters of the association, and among their duties will be the selection of a date for the next reunion. Some day other than Saturday will be selected for future meetings.

The pioneers are deeply grateful to all who took an interest and contributed to the success of the recent meeting, and particularly to Trustee Schirmeyer and his staff of assistants, who conducted the work of registration for several days.

CONCENTRATED FOODS.

What We Eat of Great Importance.

Medicine has been defined as a concentrated food; but it has been the practice of the past to so concentrate the strength and power of medicines to make them act quickly, that they have become harsh and injurious, often leaving a permanent and lasting injury to the patient. Croton Oil is a harsh and powerful cathartic; but the juice of the apple will produce the same results if taken in large quantities. It has been the aim of the Battle Creek Health Tablet Co., Ltd., to avoid both extremes in the manufacture of Peptorene, the Health Tablet. A concentrated food or a mild and healthful medicine. Composed of the purest remedies in the realm of Nature. Especially adapted to the cure of dyspepsia and constipation, and has no equal as a remedy for the Grip and a Cold. Can be taken by the young or old, the weak or strong. If there is anything the matter with you, try Peptorene, the Health Tablet.

Sold by all druggists at 25c per box or sent by mail prepaid on receipt of price by the manufacturers, The Battle Creek Health Tablet Co., Ltd., Battle Creek, Mich.

SIEVERT-PHILLIPS.

Miss Edith Phillips and J. Louis Sievert were united in marriage this morning at the Episcopal residence, Rev. Father Roche officiating. The ceremony took place at an early hour, the guests being Mr. and Mrs. W. P. Breen and the bride's mother, Mrs. Lucy A. Phillips. Mr. and Mrs. Sievert left this morning on a wedding trip which will include Detroit, Cleveland and Buffalo, and on their return will be at home at 219 West Wayne street. The bride is a most charming and accomplished young lady and the groom is very well known in the city, where he has been in the jewelry business for several years.

CURES RHEUMATISM AND CATARRH AFTER ALL ELSE FAILS—COSTS NOTHING TO TRY.

To cure the most desperate rheumatism or catarrh take Botanic Blood Balm (B. B. B.) the wonder of the age. Cures when all else fails. It kills the poison in the blood and gives a pure, healthy blood supply, stopping all gnawing, shooting aches and pains in the bones, joints, back, and reduces all swellings. Hawking, spitting, dropping in the throat, offensive breath and catarrh, irritations of the mucous membranes quickly disappear, thus making a perfect, permanent cure of the worst rheumatism or deep-seated catarrh. B. B. B. especially advised for old, obstinate cases. Druggists, $1. Trial treatment free and prepaid by writing Dr. Gillam, 213 Mitchell St., Atlanta, Ga. Describe trouble and free medical advice given. Sold by Ranke & Nusbaum, 88 Calhoun St.

A FAMILY REUNION.

A reunion of the Stoops family was held a few days ago in the City park at Wabash and Mrs. H. H. Hart, of this city, and Rev. and Mrs. D. S. Oakes, of Kendallville, were among the relatives present. Rev. Little, of Wabash, delivered the address of welcome, and after prayer by Rev. Oakes an elaborate dinner was spread for one hundred and twenty guests. Rev. Stoops followed in an address, and Frank Stoops gave a paper on the family history. It was decided to hold another reunion next year at the same point and officers were elected to make arrangements for the event.

ABOUT THE CITY HALL.

The special committee on assessments for the intercepting sewer held another protracted session last night, to which City Attorney Shambaugh and City Clerk Schmidt were summoned. The committee is going into every detail and will have a very voluminous report to make when it gets through.

A new case of scarlet fever has been reported at 365 Hanna street.

At the meeting of the board of works yesterday afternoon no business of importance was presented. Clerk Schmidt was instructed to notify the Fort Wayne Traction company to repair the pavement between its tracks on Lewis street, and he was also instructed to notify the Lake Shore road to remove its watchman's shanty at the Fourth street crossing. At the request of Contractor Peter he was given a letter to the American Surety company to the effect that he had complied with all the conditions of the contract for which the company had bonded him. The board of safety, and not the board of works, last week instructed the clerk to notify the different railway companies that the speed ordinance governing the speed of railway trains inside the city limits must be respected or prosecutions would follow.

The council committee on contracts and franchises will meet tonight to take up the Harrison street proposition for a right of way for the Southwestern Traction company on that thoroughfare.

The People's Store

You are cordially invited to attend the

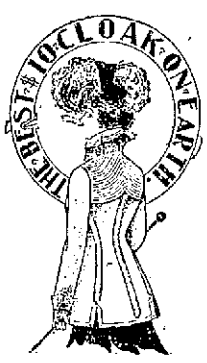
Grand Fall Opening

OF OUR **Millinery Department**

Tuesday, Oct., 1st, DAY AND EVENING.

Store Open in the Evening, But No Goods Sold.

Incidentally with our Fall Millinery opening, we beg leave to announce the GENERAL OPENING for fall and winter of every department in this big store. The store will be open in the evening to enable you to come in and look around to your heart's content, and every effort will be put forth to make your visit a pleasant one. Every department is perfect in its completeness. In fact, the assortment of seasonable merchandise will be found not only large, but immense, and will far surpass anything to be seen in the state. We would call your special attention to the magnificent displays in the following departments:



Box Coat of fine Kersey, in Black, Tan, Oxford, Red or Blue; exactly like cut; satin lined, ladies' or misses' sizes, only $10.

Cloaks, Suits, Skirts.

The new fall and winter fashions on display here are the best to be seen anywhere. We are particularly anxious to have you visit our big Cloak and Suit Department on the second floor and inspect the new styles. Our present stock is the largest and best we have ever shown; all the late fashions are fully represented, and the prices, as always, are invariably the lowest.

New 27-in. Box Coats, half fitting backs, box fronts. These Coats are made of extra quality Kersey cloth, well tailored and lined with satin. All colors, as Tan, Oxford, Black, Red, Blue, from $5 to $20.

New Automobile Coats, half fitting backs, storm or coat collars, elegantly tailored and lined with guaranteed satin, from $15 to $30.

New Winter Capes in all lengths, of Kersey cloth, Boucle, Persian, plain or crushed Plush. Prices from $1.50 to $30.

New Fur Capes and Jackets of the latest cut, at prices exceedingly moderate for such high-grade value—$15 to $50.

In Dress Skirts we have everything of the newest styles, either in silk or cloth. A showing that is simply immense, and whether the price be large or small, our values will be found conspicuously big. Skirts from $1.50 to $25 each.

We are showing the very best line of Black Tailor-made Suits in Fort Wayne, from $10 up.

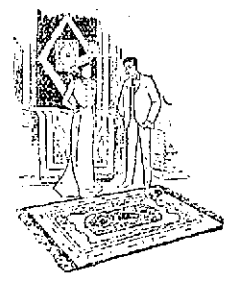
This handsome picture, in colors, of Queen Louise given free with each pair purchased.

SHOE DEPARTMENT.

The Shoe Success. *Queen Quality* THE FAMOUS SHOE FOR WOMEN

Fall Styles Now In.

This is the beginning of our second season in selling "Queen Quality" Shoes, and from the very start the department jumped into popular favor. We have the assurance of hundreds of women that in giving this famous one-price shoe a place in our store we have done them a great service. Of course, we mean those that heretofore have paid $4, $5 and $6 for shoes. They now know that "Queen Quality" is the equal of any of these shoes. We invite all ladies to this opening of fall styles of "Queen Quality." We want you to see and know the shoe that is indeed QUEEN OF ALL. ALL AT ONE PRICE—SHOES, $3, OXFORDS $2.50.



Rugs, Linoleums, Oilcloths.

The success of this new department is fully established and will undoubtedly be increased during the coming season as a result of our unusual price concessions. Our assortment of new Rugs, in all sizes, is very complete, and we are now prepared to show the handsomest collection ever exhibited in Fort Wayne. We ask an inspection by immediate and prospective buyers. LARGE RUGS ARE THE COMING THING.

Wilton Rugs, 9x12, $32.50 **Smyrna Rugs,** 9x12, $10, $25. **Axminster Rugs** 9x12, $25.

Ingrain Rugs, 9x 12, $12.90.

LINOLEUMS AND OILCLOTHS—Of the very newest designs and most durable quality, at prices not to be duplicated anywhere.

Curtains and Draperies.

We could write a page about this magnificent department, and every word the truth. But newspaper space is precious. The most we can do now is to invite you to take a look through this department, and when your needs develop and your inclination to supply them grows—come to us. Everything here in Nottingham, Irish Point, Brussels Net, Tambour, Renaissance, Lace Curtains, Tapestry and Rope Portiers, Upholstery material, Curtain materials by the yard, Door Panels, etc., etc., and this is the place at which to buy them if you want to save money.

China and Glassware.

The business in this department grows and grows. Selling the best wares at lowest prices and always displaying big assortments has made this a very popular place to buy China and Glassware. We are displaying now a handsome collection of Imported Decorated Ware, also plain white Haviland and domestic Ware, Tumblers, Water Sets, Punch Bowl Sets, Salt and Peppers, Cream and Sugar Sets, Toilet Sets, Jardinieres, etc., at prices far below those at exclusive stores. Your inspection of this department opening night is solicited.

Dress Goods, Silks.

THE DRESS GOODS OPENING—No other heading would or could express our meaning half as plainly. It is an opening in every sense of the word, and such an opening as this department never before had. With the product of two continents to pick from, we have selected for your approval what we believe to be the grandest collection of gown fabrics ever shown in this locality. Prices—we have ALL prices, and every desirable weave manufactured. An inspection of this department would be appreciated by us and doubtless prove profitable to you.

Store Open Tuesday Evening, But No Goods Sold.

THE PEOPLE'S STORE.

IT is significant that in homes of wealth where the very best is demanded, Ivory Soap is used in the nursery. At the same time, in hundreds of families where economy decides the choice, Ivory Soap is selected. Thus its purity attracts the rich; its economy attracts the poor. High quality and low cost: is there any better combination?

COFFEE FOR MOTHERS.

The Kind That Nourishes and Supplies Food for Mother and Child.

"My husband has been unable to drink coffee for several years, so we were very glad to give Postum Food Coffee a trial, and when we understood that by long boiling it would bring out the delicious flavor, we have been highly pleased with it.

It is one of the finest things for nursing mothers that I have ever seen. It keeps up the mother's strength and increases the supply of nourishment for the child if partaken of freely. I drank it between meals instead of water and found it most beneficial.

Our five-year-old boy has been very delicate since birth and has developed slowly. He was white and bloodless. I began to give him Postum freely and you would be surprised at the change. When any person remarks about the great improvement we never fail to tell them that we attribute his gain in strength and general health, to the free use of Postum Food Coffee, and this has led many friends to use it for themselves and children.

I have always cautioned friends to whom I have spoken about Postum, to follow directions in making it, for unless it is boiled fifteen or twenty minutes, it is quite tasteless. On the other hand, when properly made, it is very delicious. I want to thank you for the benefits we have derived from the use of your Postum Coffee." Mrs. W. W. Earnest, 727 9th Ave., Helena, Mont.

Masonic Temple — Friday night, Jerome Sykes in "Foxy Quiller."

Even if Lord Kitchener has not resigned chief command in South Africa, there is accumulating evidence that he probably would like to.

It develops that every officer commanding a warship in the West Indian campaign who knew something that would have been advantageous to the commander-in-chief, apprehended that the commander-in-chief had no business to know it.

Four or five interurban lines will make Fort Wayne prosper like a boom town without any of the disadvantages and misfortunes of the mushroom community. Whatever the interurban lines do for this city will be permanent and will constantly grow. The interurbans are willing to come in good time if we are willing to have them, give them encouragement and provide a way for them to get in and out without too much fuss and feathers.

The people living on Taylor street from Broadway east to the Wabash railway tracks, merit the congratulations of their friends. After many weary months of patient waiting their thoroughfare is becoming passable and in a few days the last shovelful of earth will have been tossed in the trench of the South Wayne sewer along that street and they can issue from their homes the front way. We don't know how they feel about it, but if they are of mind to have a celebration over this happy end of a long term of trouble, no one will gainsay the propriety of it.

Dr. William C. Gray, the venerable editor of the Chicago Interior, the foremost Presbyterian periodical of this country, died at his Chicago home Sunday, at the ripe old age of seventy-one. Dr. Gray was one of the foremost advocates of a modification of the Presbyterian creed and his labors in that direction were highly influential. Thirty years ago Dr. Gray was called from Cincinnati to Chicago to take charge of the Interior, and until his death it had been his one great concern. Slowly but steadily he built up its prosperity and enlarged its influence until it became a great power in the Presbyterian church. Dr. Gray was born in Ohio and was educated at Miami university, where he had for college mates Benjamin Harrison, William Penn Nixon and several other young men who afterwards became eminent. He purposed himself for the law, but drifted into country journalism and finally became established in the publishing and printing business in Cincinnati, where he was engaged when called to Chicago. In Chicago and the northwest he was doubtless the most influential figure in the Presbyterian church.

The annihilation of almost an entire company of one of the best fighting regiments in the army by a few hundred savage bolomen in Samar leaves the conclusion inevitable that the officers in command were careless. It does not change any rational view of the matter that the officers were slain. It is well known that one or two companies of American fighting men are equal to the job of licking the life out of almost any number of Filipinos. Indeed this has been proved on many a bloody licking the life out of four hundred savages armed with bolos could wipe out a company of as brave fire tested veterans as the men of the gallant Ninth infantry simply argues that there was a woeful surprise and utter unpreparedness for defense. If those brave boys had had their rifles and bayonets within handy reach, there might have been a casualty or so, but the bolomen would have been corded up dead for inventory in brief time. As it was, the gallant fellows gave a good account of themselves. True to the traditions of the army and their illustrious regiment they fought to the death and counted three for every one of their fellows who fell. Later details may alter somewhat the aspect of the sorrowful affair, but as it now appears half a hundred of as good soldiers as ever drew bead were needlessly sacrificed.

WE MUST HAVE THE ROADS.

At present the prospect is good that the Fort Wayne and Southwestern interurban road, whose tracks are now built from Huntington to the city limits of Fort Wayne will soon have entrance to the city's center. The board of works has granted a franchise that permits the use of Harrison street and there is reason to believe the city council will approve it.

There is, of course, objection made to the use of Harrison street. So there has been to every other route proposed for the use of this electric line. However, it requires no demonstration to prove that if we are to have the road down town it must have the use of streets. We believe that so far as Harrison street is concerned it will be positively benefited by the interurban line and that before the road has been in operation six months no one living or owning property on that street will be sorry the road has been built over that route.

The important point of this matter, however, is to get this road down town. Fort Wayne needs and must have interurban roads if it is to prosper and keep pace with other cities. It is no exaggerated view we take in predicting that within two years, if Fort Wayne gives proper encouragement to such enterprises, half a dozen interurban roads will reach in as many directions from this city, bringing our markets and mercantile houses in immediate touch and communication with the best towns and richest farming areas within a radius of forty miles. Such an achievement means important things for the business of the city, and these opportunities cannot be dealt with carelessly or indifferently and least of all hostilely.

The time has come when this city must prove faith to its opportunities. An admirably constructed and almost completely equipped electric road uniting Fort Wayne to one of the best of its neighboring cities is built to the city's border and is there halted until it is determined how it shall come into the city, if at all. We believe the route now agreed upon is about the least objectionable that can be chosen. What is important is that the board of works and the council shall see that the franchise to be granted protects the interests of future projects and the permanent interests of the city.

BREMEN HAS AN OIL BOOM.

South Bend, Ind., Oct. 1.—Bremen, a little town in Marshall county, twenty-two miles south of here, is greatly excited over the recent oil strike, and as a result speculators are flocking to that place. The oil strike was made after several weeks of prospecting and at a depth of 525 feet. The flow is good, and reports are that the well is a gusher. So firm is the faith of the prospectors that they are holding on to their claims with an iron grip. Yesterday Dudley M. Shively and Dr. F. G. Conklin, of this city, made an offer of $40,000 for leases and machinery, but their bid was unsuccessful.

Will Fleming has gone to Terre Haute to secure entries for the Red Ribbon meet.

Of Sixty Years in Vermont---Big Capitalists in that State Control It.

WE CONTROL IT IN THIS LOCALITY.

CONSIDER IT AN HONOR TO ENDORSE SMITH'S GREEN MOUNTAIN RENOVATOR.

We really can't say too much in favor of this Vermont remedy, which is made of roots and herbs peculiar to the Green Mountain region, and which, as a blood and nerve tonic, is simply unexcelled. For sixty years it has been known in the east and has done wonders for the sick and suffering. Now in the hands of capitalists it is being introduced through this country by the leading pharmacist in each city and town, and we have the honor of the appointment here and guarantee it from our own knowledge of the medicine. We are having a phenomenal sale and it is doing lots of good in this locality already. It gives strength in a wonderfully short time. Ranke & Nussbaum, 88 Calhoun street, sole agents.

WILL MEET FRIDAY EVENING.

Secretary Monning, of the Commercial club, is in receipt of a number of responses from other cities regarding his request for information governing interurban railroads. The Commercial club's special committee of fifteen has been called to meet Friday evening to hear the responses. One of them includes a copy of the ordinance under which Dayton, Ohio, controls the electric lines, and it is said the replies will afford much valuable information.

CELEBRATE WOODEN WEDDING.

Mr. and Mrs. Herbert S. Wills, of Pontiac street, entertained about forty of their friends in a royal manner last evening, the affair being given in celebration of the jolly couple's fifth wedding anniversary. Among the amusement features of the evening was progressive pedro, which resulted in Mrs. T. E. Bailey and Fred R. Fahlsing taking the chief prizes, and Mrs. Fred Fahlsing and Henry Soest taking the consolation prizes. After the card games lunch was served and then the guests were entertained with some fine music. The house was beautifully decorated for the occasion and the event was one of the most pleasant of the season. Among the guests were the parents of Mr. Wills, Mr. and Mrs. William Wills, of Chicago, and Mrs. Gray, of Houlton, Maine. The presents were numerous and very pretty.

Mrs. Ethel Bittenger has returned from Garrett, where she attended the street carnival.

SALT, THE PURIFIER.

The Great Natural Cleanser and Preserver.

We all know that salt water seldom gets stagnant, while fresh water does. Salt purifies and preserves. All animals crave and need salt; they cannot keep in health without it.

From a well over half a mile deep at Alma, Michigan, comes a flow of water which contains Nature's own selection and combination of salts perfectly adapted to keep the human system in health.

Evaporation of this water leaves the salt—Alma-Bromo Salt—in the pure and perfect condition as nature made it.

The peculiar medicinal virtues of Alma-Bromo Salt have been demonstrated by the staff of physicians at the famous Alma Sanitarium for more than ten years and it is because of the uniformly successful results obtained by its use that it is offered to the public generally.

It acts as a thorough cleanser of the stomach and bowels—pleasant, refreshing and gentle in its action—removing the poisons, waste and decay which would otherwise be absorbed and pass into the blood, and then clog and irritate the kidneys and liver causing fully two-thirds of all the sickness and diseases from which men and women suffer.

The form of Bromide which Alma-Bromo Salt contains, soothes and strengthens all the nerves even to the finger tips.

Alma-Bromo Salt first cleanses and gently stimulates the stomach. It then passes on, removing from the intestines all accumulation of foul, decaying, poisonous matter. There are no cramps, no irritation. The action is something like that of the lather of pure soap-suds and water upon the skin.

GIRLISH FIGURES

HOW MARRIED WOMEN MAY RETAIN THEM.

Besides, comely to the extent of sweetness, grace and symmetry, often lose these powers when nature in its period of gestation imposes upon them the duty of child-birth. Properly understood, motherhood is a season of pleasant anticipation. Only in rare cases is it made so however, without artificial aid. A Liniment for outside use, is preferable to anything else. Mother's Friend, if used throughout the entire period of pregnancy, will soothe and relax the tissues, soften the muscles, and make elastic tendons and supple sinews.

This celebrated liniment removes stiffness and promotes expansion of the fibres when under strain. Your body is a machine of flesh, muscles and bones, and Mother's Friend is used for the purpose of lubricating the parts taxed during pregnancy. It can work no injury to mother or child. It is applied externally to the abdominal regions. Its effect is wonderful and worthy a trial.

Of your druggists, at $1.00 per bottle.

FORT WAYNE PRESIDENTS.

At Logansport Monday evening the Logansport Home Telephone company and the Cass County Construction company, organized in Fort Wayne last week, held meetings and perfected the organizations by the election of officers. The telephone officers are as follows: President, Theodore Thorward, Fort Wayne; vice president, J. H. Rietermeier, Logansport; secretary, Walter J. Uhl, Logansport; treasurer, Dr. M. A. Jordan, Logansport. Cass County Construction company: President, W. J. Vesey, Fort Wayne; vice president, J. H. Foley, Logansport; secretary, J. G. Powell, Logansport; treasurer, George W. Siebold, Logansport.

MR. BORKENSTEIN GETS IT.

Contractor B. Borkenstein was the lowest bidder for the construction of the new custodial cottage to be erected at the Indiana school for feeble minded youth. The bids were opened by the trustees on Monday and were as follows: H. L. Mollet, $28,300; Henry Hilgeman, $28,995; William Fuhrman, $22,750; B. Borkenstein, $21,045; Charles Wermuth, $23,445; Griffith & Sons, $27,500; Mr. Tieman, $21,800; E. F. Liebman (partial), $16,964; J. M. Henry, $22,800. On the cut stone work William Geake's bid was $2,560.

DR. BURROUGHS' AFFLICTION.

Crawfordsville, Ind., Oct. 1.—Distressing word has been received concerning the condition of Dr. George S. Burroughs, ex-president of Wabash college. It will be remembered that he had an arm amputated last spring, as the result of a fall, and that in August he had his remaining arm broken at a railway station in New York. Word now comes that this arm must also be amputated, leaving the doctor a helpless cripple. It appears that he is afflicted with disease of the bones, which renders them both soft and brittle.

FORBID USE OF RUBBER PIPE

EDICT OF GAS COMPANY HAS GONE FORTH.

Consumers Who Transgress Will Be Shut Off After November 1st Without Notice.

On the back of gas receipts for the month of September appears a notice to the effect that the use of rubber pipe for gas connections must cease, and that after November 1st the gas company will, without notice, shut off the gas of any consumer who does not observe the order.

Rubber pipe for heat and light connection is in extensive use in this city, and it is not probable that the order will be popular with consumers. A representative of the gas company said to The Sentinel today: "We are aware that the order will inconvenience a great many people, but it was absolutely necessary. In the winter time consumers are in the habit of connecting up heating and cooking stoves with rubber pipe attached to gas jets in order to secure a larger supply of gas. This causes a heavy drain on the mains and consequent shortage of gas all over the city. Of course these connections are made directly with the burner and the gas is consumed just as it comes from the mains, without being mixed with air. It would take a plant many times the size of ours to keep up a full pressure of gas in cold weather at that rate, hence the order."

DREAM OF DEATH VERIFIED.

Evansville, Ind., Oct. 1.—William Vickery, a wealthy capitalist of Gibson county, was found dead in his flour mill at Fort Branch yesterday. Twice during the month Vickery dreamt he would die during the latter part of the month in the mill.

HEADS A SHOVEL COMBINE.

Anderson, Ind., Oct. 1.—W. J. Alford, of this city, has been elected vice president and manager of the Indiana plants of the Ames Shovel and Tool company, generally referred to as the shovel trust. A combination of the most important shovel and tool plants of the country has been effected. The combine includes the Ames works of Boston; the Rowland, of Philadelphia; the H. M. Meyers, of Beaver Falls, Pa.; the St. Louis Shovel company, of St. Louis, and the Wright Shovel company, of this city. The shovel works in this city and Elwood are the only ones affected in the gas belt.

AGED VETERAN IS KILLED.

Lafayette, Ind., Oct. 1.—The decomposed body of Horace Cutterton, the hermit soldier, who lived in a house situated in a lonely ravine at Indian Hill, near this city, was found by hunters yesterday at the bottom of Spring branch in the woods. It appeared that a bridge of logs had broken while being crossed by the old man and pinioned him to the ground, where he died from exhaustion. Cutterton was eighty-four years old and a veteran of the Seminole, Mexican and civil wars. He had lived as a hermit many years.

CASE GOES TO LOGANSPORT.

Judge Baker has directed that the bankruptcy application of Columbus C. Cain, of Noble county, be transferred from Referee Chapin to Referee Swigart, at Logansport. One of Mr. Cain's creditors is the Noble county bank at Kendallville. Judge Chapin is a director of this institution, and hence is disqualified from passing upon the petition.

The Young People's society of Plymouth Congregational church will meet this evening at the church for the purpose of electing officers.

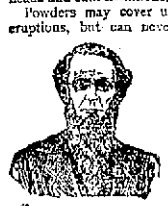
As a Food For the Skin.

To Make It Smooth, Healthy and Beautiful, Dr. Chase's Ointment is Hailed by Thousands of Fair Women.

Every woman, no matter how beautiful her skin, finds need at times of some preparation to overcome the redness and roughness, and to cure the pimples, blackheads and skin irritations.

Powders may cover up the disfiguring eruptions, but can never cure them, and are positively injurious because they clog up the pores of the skin. Dr. Chase's Ointment is a food for the skin. It is readily absorbed, and thoroughly cures each and every skin disease, making the skin smooth, soft and clear.



No woman's toilet is complete without Dr. Chase's Ointment, for besides being the most perfect skin beautifier obtainable it can be used in a score of different ways. It absolutely cures eczema, salt rheum and the itching to which women are especially subject. The ointment does not cause pain when applied, but soothes the sore or inflamed surface. It immediately stops itching of the skin when applied.

When the feet are sore and chafed with walking an application of Dr. Chase's Ointment takes out the smarting, and allays the inflammation in a surprisingly short time. Then for burns, scalds and every sort of chafing, irritation or eruption of the skin Dr. Chase's Ointment affords a safe and certain cure. It has come to be indispensable in scores of thousands of homes in the United States. It does not cause pain when applied; 50 cents a box, at all dealers, or Dr. A. W. Chase Medicine Co., Buffalo, N. Y.

Mrs. L. A. Harris, a Prominent Member of a Chicago Woman's Political Club, tells how Ovarian Troubles may be Cured without a Surgical Operation. She says:

"Doctors have a perfect craze for operations. The minute there is any trouble, nothing but an operation will do them; one hundred dollars and costs, and included in the costs are pain, and agony, and often death.

"I suffered for eight years with ovarian troubles; spent hundreds of dollars for relief, until two doctors agreed that an operation was my only chance of life. My sister had been using **Lydia E. Pinkham's Vegetable Compound** for her troubles, and been cured, and she strongly urged me to let the doctors go and try the Compound. I did so as a last resort; used it faithfully with the Sanative Wash for five months, and was rejoiced to find that my troubles were over and my health restored. If women would only try Lydia E. Pinkham's Vegetable Compound first, fewer surgical operations would occur."—MRS. L. A. HARRIS, 278 East 31st St., Chicago, Ill.

$5000 FORFEIT IF THE ABOVE LETTER IS NOT GENUINE.

When women are troubled with irregular, suppressed or painful menstruation, weakness, leucorrhœa, displacement or ulceration of the womb, that bearing-down feeling, inflammation of the ovaries, backache, bloating (or flatulence), general debility, indigestion, and nervous prostration, or are beset with such symptoms as dizziness, faintness, lassitude, excitability, irritability, nervousness, sleeplessness, melancholy, "all-gone" and "want-to-be-left-alone" feelings, blues, and hopelessness, they should remember there is one tried and true remedy. **Lydia E. Pinkham's Vegetable Compound** at once removes such troubles.

The Secret

Of womanly health would be esteemed as priceless by thousands of suffering women. Each month sees them moaning in a darkened room. At the best they endure pain every day. At the worst the pain becomes torment.

The secret of womanly health is in keeping the womanly organism in a perfectly healthy state. This can be done by the use of Dr. Pierce's Favorite Prescription. It regulates the periods, dries debilitating drains, heals inflammation and ulceration, and cures female weakness. It makes weak women strong and sick women well.

Women suffering from chronic forms of disease are invited to consult Dr. Pierce, by letter, *free*. All correspondence is held as sacredly confidential and womanly confidences are guarded by strict professional privacy. Address Dr. R. V. Pierce, Buffalo, N. Y.

Accept no substitute for Dr. Pierce's Favorite Prescription. There is nothing else "just as good" for womanly ailments.

"I suffered for more than ten years with female weakness of very bad form," writes Mrs. D. Marwood, of Treherne, Macdonald Co., Manitoba. "I used Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery' with good results. I am able to do all my own work now. I do not know how to thank you enough for the kind advice you have sent me by letter. Your remedies did for me more than all other doctor's medicines, and I have taken lots of them."

MICHAEL HELLWARTH DEAD

WAS A PROMINENT FARMER AT NEW HAVEN.

Recently a Nominee for County Commissioner—Other Mortuary Matters of the Day.

After an illness of about four weeks Michael Hellwarth, a well-known farmer, died at 8:44 o'clock this morning at his home just east of New Haven. Mr. Hellwarth's age was sixty-one years, six months and twenty-six days, and death was due to typhoid fever.

Mr. Hellwarth was born in Mercer county, Ohio, March 5, 1840, and removed to Allen county in 1862. He was united in marriage February 11, 1866, to Mary Forthmiller, and to this union five children were born. Three of them—John Hellwarth, Ed Hellwarth and Mrs. Snyder, of Columbus, Ohio, survive. The mother died in 1876, and on November 20, 1877, Mr. Hellwarth was married to Lucinda Mosiman, who survives him.

Mr. Hellwarth was an excellent citizen and had many friends. Politically he was a republican, and during the last campaign was a republican nominee for county commissioner. He was a member of the M. E. church and of the Independent Order of Odd Fellows.

Funeral services will be held Thursday at 1:30 from the residence and at 2 o'clock from the M. E. church at New Haven, under the auspices of the Odd Fellows.

LITCHFIELD.

Mrs. Nancy Long Litchfield died at 11:30 o'clock this morning at the home of her daughter, Mrs. James B. Shoaff, 440 West Main street. For more than a year Mrs. Litchfield has been in feeble health and four weeks ago she was compelled to take to her bed. Death was due to a complication of diseases.

Mrs. Litchfield was seventy-seven years of age. She was born in Wooster, Ohio, March 24, 1824, came to Allen county in 1863, and was for many years a resident of Eel River township, coming to Fort Wayne about one year ago to make her home with her daughter.

Her husband, Rev. David B. Litchfield, died nearly thirty years ago. He was a prominent Baptist minister and had represented this county in the state legislature. There are but two children—Mrs. James B. Shoaff and Edwin G. Litchfield. Mrs. Litchfield had been a member of the M. E. church since the age of thirteen, and hers was a lovable Christian character. She was widely known and as widely esteemed.

Brief funeral services will be held from the Shoaff residence Wednesday afternoon at 4 o'clock, and the remains will then be taken to her former home in Eel River township, eight miles northwest of the city on the Goshen road. Here the funeral services proper will be held Thursday morning at 10 o'clock.

FUNERAL ANNOUNCEMENTS.

Myers.—Funeral services of C. Frederick Myers will be held Wednesday afternoon at 1:30 from the residence, 66 Douglas avenue, and at 2 o'clock from Emanuel's Lutheran church. Rev. Wambsganss officiating.

Wyburn.—Funeral services of Angeline Wyburn will be held Wednesday afternoon at 2 o'clock from the residence, 383 Lafayette street.

Rauner.—Funeral services of May Rauner will be held Wednesday morning at 8:30 from the residence, 131 Lafayette street, and at 9 o'clock from St. Patrick's church. Interment at Hesse Cassel.

Bayliss.—Funeral services of Henry Bayliss will be held privately from the residence of Thomas Hammond, 399 Hoagland avenue, Wednesday afternoon at 2 o'clock. Rev. J. W. Bailey will officiate.

Green.—Funeral services of Malcolm A. Green will be held Wednesday afternoon at 2 o'clock from the residence, 139 West Main street. The pall bearers will be Hon. James M. Robinson, Louis J. Geiss, W. A. Black, Louis S. C. Schroeder, William Wurtle and A. T. Lipes.

A. A. Kist, of South Whitley, and C. W. Fry, of Huntington, are at the Wayne.

Rev. John Bathe has gone to Tulopolis, Ill., to attend the funeral of a classmate.

Rabbi Cohen left today for Defiance, Ohio, where he will officiate at the marriage of Miss Tillie Wertheimer and Maurice DeVay, of that city.

THE MARKETS.

Chicago, Oct. 1.—Dullness was the only feature at the opening of the board of trade today. December corn started with an easier feeling on lower cables and increased receipts, unchanged to ⅛c lower at 56⅝ to 56¼c. A small bull influence developed toward the close of the first hour, however, and December advanced to 56⅞c. Receipts were 425 cars.

Wheat was offered on a somewhat liberal scale at the opening and the demand was local and small. December opened ⅛ to ¼c lower at 70½c to 70@70½c on lower cables and heavy northwestern receipts and soon sold off to 69⅞@70c. Around 70c there was a fair demand by commission houses and December reacted to yesterday's closing figures. Local receipts were 196 cars, 6 of contract grade. Minneapolis and Duluth reported 1,337 cars, making a total for the three points of 1,533 cars against 1,515 last week and 881 a year ago.

Oats had almost no trade, though there was a slight advance in sympathy with corn. December opened a shade lower at 35½c and sold to 35¼c. Receipts were 299 cars.

Provisions were easier all around. Liquidations started early on a slow outside demand and in sympathy with a lower hog market January pork opened 2½ to 22½c lower at $15.77½ to $15.97½. January lard 5@7½c to 2½@5c down to $9.25 to $9.27½ and sold to $9.32½ and January ribs 2½ to 7½c down to $8.15 to $8.20.

THE CLOSE.

Prices at the close were as follows:

Wheat—Oct., 67⅝c; Dec., 69¼c; May, 72⅝@⅞c.

Corn—Oct., 54½c; Dec., 56½@¼c; May, 58¼c.

Oats—Oct., 33⅞c; Dec., 34⅞c; May, 37c.

Pork—Oct., $14.55; Jan., $15.87½; May, $16.02½.

Lard—Oct., $9.00; Nov., $9.72½; Dec., $9.42½; Jan., $9.30.

Ribs—Oct., $8.75; Jan., $8.17½; May, $8.25.

RIDGLEY TAKES THE OATH.

Washington, Oct. 1.—William B. Ridgley, of Illinois, who was appointed recently comptroller of the currency, to succeed Charles G. Dawes, resigned, took the prescribed oath today and entered upon the duties of his office. Mr. Dawes resigned to enter the campaign in Illinois for United States senator and will leave for that state tomorrow.

HUMANE OFFICER'S REPORT.

To the officers and members of the Fort Wayne Humane society, following is my report for the month of September, 1901:

—Human Beings.—

Total number of cases investigated	12
Number of destitute families calling for aid	4
Number of children in these families	10

Of these families two were reported to the township trustee, one to the Relief Union and one to the Associated Charities.

Number of children beaten or otherwise abused	5
Number of incorrigible children called to warn	3
Number of wife beaters	4

One of them was prosecuted and is now in jail, three were warned. One man was turning a hand organ and compelling his nine year old daughter to go from door to door and beg; he was ordered to get out of town or he would get into trouble. He resides in Waterloo, Iowa, and says he is well off. He came through here in June last and was then ordered out of town.

Found permanent home for one boy and temporary home for another.

Total number of persons warned	11

—Animals.—

Number of cases investigated	10
Number of horses deprived of proper food	3
Number of horses driven when galled	1
Number of horses driven when lame	4

Two of the lame horses were ordered from work.

Number of horses overworked	3
Total number of persons warned	9

SETTLEMENT POSTPONED.

Settlement by the county commissioners with the bondsmen of Auditor William Meyer has been postponed on account of the death of C. Frederick Mayer. The commissioners were met this morning by J. M. Landenberger, representing all the bondsmen, but Mr. Landenberger requested that out of respect to the family of the late C. Frederick Meyer settlement be deferred. This was acceded to cheerfully by the commissioners.

A NEW DEPARTURE.

A New, Effectual and Convenient Cure for Catarrh.

Of catarrh remedies there is no end, but of catarrh cures, there has always been a great scarcity. There are many remedies to relieve, but very few that really cure. The old practice of snuffing salt water through the nose would often relieve and the washes, douches, powders and inhalers in common use are very little, if any, better than the old fashioned salt water douche.

The use of inhalers and the application of salves, washes and powders to the nose and throat to cure catarrh is no more reasonable than to rub the back to cure kidney disease. Catarrh is just as much a blood disease as kidney trouble or rheumatism and it cannot be cured by local treatment any more than they can be.

To cure catarrh, whether in the head, throat or stomach an internal antiseptic treatment is necessary to drive the catarrhal poison out of the blood and system, and the new catarrh cure is designed on this plan and the remarkable success of Stuart's Catarrh Tablets is because being used internally, it drives out catarrhal infection through action upon stomach, liver and bowels.

Wm. Zimmerman, of St. Joseph, relates an experience with catarrh which is of value to millions of catarrh sufferers everywhere. He says: "I neglected a slight nasal catarrh until it gradually extended to my throat and bronchial tubes and finally even my stomach and liver became affected, but as I was able to keep up and do a day's work, I let it run along until my hearing began to fail me and then I realized that I must get rid of catarrh or lose my position, as I was clerk and my hearing was absolutely necessary.

"Some of my friends recommended an inhaler, another a catarrh salve, but they were no good in my case, nor was anything else until I heard of Stuart's Catarrh Tablets and bought a package at my drug store. They benefited me from the start and in less than four months I was completely cured of catarrh, although I had suffered nearly all my life from it.

"They are pleasant to take and so much more convenient to use than other catarrh remedies that I feel I cannot say enough in favor of Stuart's Catarrh Tablets."

A little book on cause and cure of catarrh will be mailed free by addressing F. A. Stuart Co., Marshall, Mich., and the tablets are sold by all druggists in the United States and Canada.

H. H. Haines is absent on a business trip through Ohio.

Doubtful Economy.

Doesn't seem rather unreasonable that a man will go into a little 2x4 restaurant, jam himself onto a stool in about 13 inches of space, and amidst the yells of the waiters and the rattling of dishes—suffocated by the smell of the kitchen and hot humanity, crowd down 20 or 35 cents worth of indigestable "short orders." Then you can come here and for 10 cents more get more on top of a square meal, plenty of room and air, and be served promptly and quietly with the best of everything.

Think this over and drop in here tomorrow.

COLDS

The quickest relief, for a cold, is by Scott's emulsion of cod-liver oil.

We all have colds, you can try it and see. You will find the edge taken off in a night; and, in three or four days, you'll be wondering whether that cold amounted to anything anyhow.

That's relief. If you tackle it quick, the relief is quick and complete, if you wait till the cold is in full possession of head and lung, why, of course, the relief is quick if it comes in a week.

A little emulsion won't clear and restore your whole breathing-machine in a minute; don't be looking for miracles.

We'll send you a Fulsto try, if you like.

REPORTED CHANGES A BIG SURPRISE.

SOUTHERN PACIFIC NEWS

HARRIMAN ELECTED PRESIDENT OF THE COMPANY.

MACHINISTS AGAIN SCARCE

ELECTRIC WORKS LOOKING FOR SKILLED WORKMEN.

Mr. F. D. Crawford, superintendent of motive power of the Pennsylvania Northwestern system, is in receipt of notice of the appointment of R. M. Durborow to the office of superintendent of motive power of the Pennsylvania lines east of Pittsburg, a position that has been filled by Mr. F. D. Casanave for several years. Nothing concerning the resignation of Mr. Casanave or his transfer to the Baltimore and Ohio road has been received and the belief prevails here that he has put an intention formed over a year ago into effect and has retired from railroad work on account of failing health. A dispatch published in some of the metropolitan morning papers and bearing a Cleveland date, states that Mr. Casanave has been appointed mechanical superintendent of the Baltimore and Ohio road. This story is not credited here, because the transfer would not be in the line of promotion and it would mean more work than a man in feeble health and advanced age would care to assume. It is known that the Pennsylvania is going to reorganize the mechanical department of the Baltimore and Ohio to conform with the rules governing that department of the Pennsylvania and upon the superintendent of the department will fall a good portion of the work of the change. Mr. Casanave was master mechanic of the western division of the Pittsburg, Fort Wayne and Chicago road when piece work was inaugurated in the shops in 1882. Mr. Durborow was superintendent of motive power of the Buffalo and Allegheny road, which he resigned to take his new position. He was once superintendent of motive power of the Pittsburg, Wilmington and Baltimore road also.

BIG CAR WHEEL SHIPMENT.

Twenty car loads of car wheels left the Bass foundry this morning for the east. Had cars been available the shipments would have reached double that amount, but they are scarce and shipments are thus retarded.

BLEW OUT CYLINDER HEAD.

Engine 170, which was pulling Nickel Plate passenger train No. 3, westbound, blew out a cylinder head while on the road between Linden and Fostoria yesterday, and was stalled. Engine 18 was sent to the rescue and helped the cripple along, running as a double-header with No. 170. The train was forty-five minutes late in reaching this city.

TRANSFERS TO BASS WORKS.

Morris J. Lee resigned a position at the Pittsburg machine shops yesterday and immediately accepted another position at the Bass works, working for awhile in the night gang. Mr. Lee has been employed at the Pittsburg shops over a quarter of a century. For some time he has had charge of the pipe work in the locomotive department and he resigned because the duties of that position were too heavy for him. For some time Mr. Lee has been in poor health and it is his intention to go to California next spring to reside.

FROM SHOP TO ARMY.

Arthur C. Major has resigned his position in the works of the Western Gas Construction company and left yesterday for Indianapolis, where he will be assigned to some portion of the United States army, he having enlisted in the service. Arthur has a brother in the Eighth infantry, now in the Philippines, whose term of service will expire in a few weeks. The young men are sons of David H. Major, the well known Wabash shopman.

DEMAND FOR MACHINISTS.

There appears to be a decided shortage in the supply of skilled mechanics in the city. Supt. A. E. Barnes, of the Electric works, said this morning that he needed about six good workmen and was particularly desirous of getting a man accustomed to tempering dies, tools, etc. Other shops are also short of skilled help and the situation appears to be growing worse as the winter season approaches.

Mr. HAYS' SUCCESSOR.

E. H. Harriman, chairman of the executive committee of the Southern Pacific road, has been elected president of the company, vice Charles M. Hays, resigned. Mr. Harriman will direct the affairs of the road from his office in New York.

NEWS REACHES CALIFORNIA.

San Francisco, Oct. 1.—The announcement that E. H. Harriman had assumed the presidency of the Southern Pacific company, coupled with the appointment of Julius Kruttschnitt as his assistant, was received in this city with considerable surprise, for the elevation of the fourth vice president to be the chief administrative officer of the corporation had not been anticipated. It is understood that Mr. Kruttschnitt will assume most of the duties and responsibilities of the president, as all officers heretofore reporting to the president have been ordered to report to him. E. H. Fitzhugh, who was recently appointed assistant to President Hays, will soon return east. H. E. Huntington, first vice president, who has arrived here from New York, said today that he would not again take an active part in Southern Pacific railway affairs. Although retaining the title of first vice president, he was devoting his time, he said, to his private affairs. Mr. Huntington today confirmed the report that the Pacific Improvement company has sold its entire holdings in the Mexican National Railway company to the Speyers, of New York.

A PAINFUL WOUND.

E. P. Galland, of the Pittsburg machine shops, sustained a bad wound to his right hand this morning, at 8 o'clock. A sliver of steel entered the palm and ran down into the index finger a distance of over two inches. The piece was extracted only with the greatest difficulty, the young man submitting to the ordeal with remarkable nerve. Later he went to the company's surgeon and had the wound dressed.

OFFICIALS COMING WEST.

This evening at 5:40 Fourth Vice President J. J. Turner and General Superintendent Charles Watts, of the Pennsylvania, will pass through the city in a special car attached to train No. 11. They are en route to Chicago. Supt. J. B. McKim went to Crestline this morning to join the higher officials and accompany them over the western division of the road.

INDUSTRIAL NOTES.

W. Walker has taken a position as freight brakeman with the Pittsburg.

Nickel Plate Fireman E. Disel is sick and off duty.

Pittsburg Fireman J. A. Kelley is sick and off duty.

Assistant Roundhouse Foreman F. J. Burns is fishing at Blue lake today.

Pittsburg Engineer D. Truesdale reported for work on the road this morning.

Nelson Ritchs has returned to his duties at the electric works after a severe illness.

Conductor G. M. Sauer, of the Nickel Plate, is attending the Pan-American exposition.

J. W. Hilgeman went to Elkhart, Ind., this morning in the interest of the Fort Wayne Electric company.

Nickel Plate Engineer Joseph Mills has taken a vacation for the purpose of visiting his sister in Michigan.

M. R. Hardendorf, of the Pittsburg blacksmith shop, is entertaining his mother, Mrs. M. E. Hardendorf, of Rome City.

Henry Shuster, foreman of carpenters at the Pittsburg shops, is taking a lay off to attend to some private business.

Miss Blanche Lindsey, telegraph operator at the electric works, resumed that duty this morning, after a two weeks' vacation spent in the east.

Harry L. Bearinger, clerk in Cashier J. K. McCracken's office, at the Pittsburg freight offices, resumed his duties this morning after a vacation spent in the east.

Fred Lepper, a patternmaker at the Pittsburg shops, is off duty as the result of an accident yesterday. A block of wood struck him in the eye, injuring the optic severely.

M. P. Gaskill, Joseph Junk, A. J. Schirmeyer and H. C. Haviland, Pittsburg shopmen, are off duty on account of sickness. F. C. W. Meyers is looking after private business.

Conductor C. F. Thomas and Brakeman H. Hanley resumed their respective duties on the Pittsburg this morning. They had been off duty several days for various reasons.

Clark Albers will serve as clerk for T. J. Rodabaugh, foreman of the Pittsburg paint shops, during the absence of the regular clerk, Carl Hobrock, who is taking his vacation.

At the regular meeting of A. G. Porter lodge, Brotherhood of Locomotive Firemen, last evening I. C. Patton, a Grand Rapids and Indiana fireman, was taken into full membership.

C. V. Jennings, night yardmaster of the Wabash, is off duty on account of sickness, and Assistant Day Yardmaster W. E. Rowe is acting as night yardmaster during the illness of Mr. Jennings.

J. Waldman, who was sick two weeks, and H. Daseler, who was taking a week's leave of absence to look after private business, reported for work at the Pittsburg boiler shop this morning.

L. O. Starr was transferred from the car shops to the locomotive machine shop of the Pittsburg, commencing work in the latter place this morning. He returned last night from Pittsburg, where he spent a week with friends.

Chief Dispatcher A. S. Johnson, of the Findlay, Fort Wayne and Western road, who had been spending a vacation here and at Rome City, returned to Findlay this morning to resume the duties of his office. Mrs. Johnson also returned to that city.

Mr. and Mrs. William C. Slater have returned from their wedding tour and are now "at home" to friends at the residence of the groom's parents, Mr. and Mrs. Joseph Slater, 19 Bass street. Mr. Slater resumed his duties in the Bass offices this morning.

Henry Hille, assistant baggage master at the Wabash depot, has had his full share of the misfortunes of life lately. For two weeks or more he was confined to his home by sickness and just as he reached the point where he hoped to resume work in a day or two, his little son was taken with scarlet fever and Mr. Hille is now quarantined.

Charles Becker, requisition clerk at the electric works, has returned to duty after a week's vacation.

On account of the sickness of his wife Yard Engineer C. C. Adams, of the Pittsburg, is off duty.

Division Freight Agent W. A. Sprott, of Toledo, was looking after the interests of the Wabash in the city last night.

Nickel Plate Fireman W. H. Bell has been granted a two weeks' leave of absence and has gone to Kansas City to visit his folks.

Dallas Misner quit a position at the laboratory of the electric works yesterday to take a position as fireman on the Pittsburg road.

Thomas Lanthan and Guy Wise are being instructed in the work of calling Pittsburg train crews and will be placed on the extra list for awhile.

Engineers Grant Rhodes, Frank Simonton, J. C. Grable, H. D. Rose and W. Slagle, of the Pittsburg, are taking a lay off for various purposes.

Engine 4, of the Nickel Plate, has been assigned to a local freight run between Bellevue and Leipsic. She was in the through freight service some time.

O. P. Reece, who was engaged at special work in the motive power department of the Pittsburg for the past year, has taken a position in the air brake department of the shops.

Conductor H. Renbarger, who had been sick, and Brakeman J. A. Deahl, who had been off duty on account of the illness of his wife, reported for duty on the Nickel Plate yesterday.

Pittsburg Engineer W. C. Bender, who had a leg broken several weeks ago, is experiencing a little pain and trouble from the limb and has taken a lay off for a day or two to recuperate.

G. A. Dornberg, chief lineman of the Pennsylvania lines west of Pittsburg, was in the city over night, leaving this morning for the north over the Grand Rapids and Indiana road.

The railroad branch of the Young Men's Christian association of Kansas City on Thursday celebrated the twenty-fifth anniversary of its establishment with appropriate exercises.

Brakeman Ed Morrison, of the Nickel Plate, who had some fingers hurt Saturday night, will not lose any of the digits. Only the first and second fingers of the right hand were pinched.

Charles E. Stapleford, foreman of Nickel Plate car inspectors and repairers, has returned home after a visit to the Pan-American exposition and Niagara Falls. Mrs. Stapleford also made the journey.

A break in the machinery in the power station at the Pittsburg shops made it necessary to suspend operations in the lathe and planer departments of the machine shop from 9 o'clock until this morning.

Yard Conductor Theodore Bley, of the Pennsylvania, has returned home after a somewhat extended visit east. He spent two weeks at the home of his boyhood and was a witness at the first race of the yachts, Columbia and Shamrock II., Saturday.

Engineer Henry Siebold, of the Pennsylvania, who has been sick for three or four months, has so far recovered that he has decided to report for duty the latter part of the week. His fellow enginemen will welcome Mr. Siebold back in the service.

The Nickel Plate derrick car is receiving general repairs and being placed in shape for winter service, when wrecks are more frequent than during the summer months. When the fact that the car was in service only once in the past four months is considered, it would seem that extensive repairs are a needless expense.

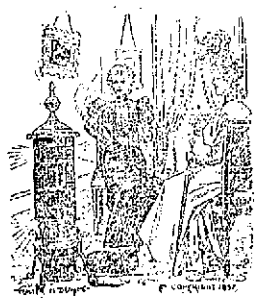
JAMES HOWELL

Those Chilly Nights...



Are here, and it will prove a saving of labor and money when you purchase one of the latest inventions in OIL HEATERS to warm your apartments. Our Peach Oil Heaters are supplanting the coal stove for heating small rooms. They are ornamental and economical in use of oil; they emit no unpleasant odor, and will heat in quick time. No smoke, no dust, no ashes. They are a boon to the housekeeper. Call and see them.
